Requirements for Nail Salons for an Annual Permit for Storage of Flammables

- 1) City of Boston Certificate of Occupancy granting use of facility as a nail salon.

Please Note the following restrictions:

1. A building that contains any residential occupancy may only be permitted for a maximum total combination of acetone and alcohol stored on site of two gallons
2. Commercial Building buildings may only be permitted for a maximum total combination of acetone and alcohol stored on site of ten gallons

- 2) Flammable Storage Cabinet (UL Approved as pictured below)

- 3) 704 Diamond or Flammable Sticker/Tag posted on flammable storage cabinet

- 4) MSDS Sheets for the flammable liquids being stored
- 5) Exhaust System for proper ventilation of fumes
- 6) Eyewash Station and First Aid Kit
- 7) Must have the following signage:
 - a. Working Exit Signs
 - b. No Smoking Signs
- 8) Fire Alarm system that is code compliant for occupancy and if units of habitation are above nail salon, the fire alarm system must be interconnected to all common areas of the building
