The Union certifies that this Agreement is formally executed pursuant to a vote of a majority of all employees in the

bargaining unit.

Section 2. Should any employee or group of employees covered by this Agreement engage in any strike, work stoppage, slowdown, or withholding of services, the Union shall forthwith disavow any such strike, work stoppage, slow down or withholding of services and shall refuse to recognize any picket line established in connection therewith. Furthermore, at the request of the Municipal Employer, the Union shall take all reasonable means to induce such employee or group of employees to terminate the strike, work stoppage, slowdown, or withholding of services and to return to work forthwith.

ARTICLE 6.

ARTICLE 7.

Section 1. No agreement, understanding, alteration or variation of the agreements, terms or provisions herein contained shall bind the parties hereto unless made and executed in writing by the parties hereto.

Section 2. ARTICLE 8.

Section 1. The Municipal Employer reserves and retains the sole and exclusive right to manage, operate and conduct all of its Department's operations and activities, except as otherwise specifically and expressly provided in this Agreement. The enumeration of management rights in this Article is not to be construed as a limitation of management's rights, but rather as an illustration of the nature of the rights inherent in management.

Section 2. The Municipal Employer, subject to the express and specific provisions of this Agreement, reserves and retains the exclusive right to hire, promote, assign, transfer, suspend, discipline, discharge, lay off and recall personnel; to establish, create, revise and implement reasonable work rules and regulations including performance evaluations and the criterion upon which bargaining unit members shall be evaluated which shall be used to determine promotions, demotions, layoffs, compensation, and discipline and discharge; to require bargaining unit members to assist the Appointing Authority/designee in the conduct of performance evaluations of those employees supervised by bargaining unit employees whether these employees are members of this or any other bargaining unit; to establish positions and job descriptions and the classifications thereof; to reclassify existing positions based on assigned duties and responsibilities, or make changes in assigned duties and responsibilities; to schedule work as require; to study and use, introduce, install new or improved methods, systems, facilities and/or equipment; to determine methods, processes and procedures by which work is to be performed; to subcontract out work where the purpose is not to undermine the bargaining unit, to schedule and assign work; and in all respects to carry out the ordinary and customary functions of municipal management.

ARTICLE 9.

Discipline and Discharge

Any employee provisionally promoted, provisionally appointed, transferred and/or placed in a new position in the bargaining unit, shall serve a separate six months of actual work evaluation period during which time the Appointing Authority at his discretion may return him to his/her same or similar position.

Any period or periods during the first six months of service for which an employee is not paid (including as little as one (1) day) shall extend the probationary period by that amount of time. Any employee's probationary period may be extended at the discretion of the City up to a maximum of three (3) months of actual work. The employee will be notified in writing of the length and reason for the extension. An employee who separates from service and is subsequently re-employed by the City of Boston shall serve a new six-month probationary period, except in cases of recall or reinstatement.

Section 3. The City agrees that in cases where the decision to take disciplinary action is made, the City/Department shall notify the Union President of the appointing authority hearing, and if applicable, the decision.

ARTICLE 10.

Grievance Procedure

A. INTRODUCTION

The City of Boston and the Union recognize that Chapter 150E, Section 8 of the General Laws provides a mechanism for arbitration of disputes between the parties to a collective bargaining agreement and further provides that the parties to an agreement may establish an independent grievance procedure culminating in final and binding arbitration. It is the intent of the parties to this agreement to use their best efforts to encourage the informal and prompt settlement of grievances which may arise between the Union or a member or members of the bargaining unit and the City. Therefore the parties agree, for themselves and for all those whom they represent, that they shall use the procedures set forth in this Article, and no other procedures, for the resolution, strictly pursuant to the terms of this Agreement, of all disputes involving the application of this Agreement and of any other matter that is or may become the subject of a grievance as hereinafter defined.

B. DEFINITION

1. **Grievance Form** – a grievance form is a written statement, which shall be expressly denominated “Grievance Form”, setting forth a grievance as hereinafter defined. A grievance form shall cover all the known facts material to the alleged breach on which the grievance is based, including the date when such breach is alleged to have occurred and the specific contractual provisions alleged to have been breached, and shall set forth the remedy requested.

2. **Grievant** – grievant shall mean the union or any member or members of the bargaining unit, as the case may be, who pursuant to the terms of this Agreement, seek resolution of a grievance.

3. **Grievance** – a grievance of an allegation by the Union or by a member or members of the bargaining unit that an express provision of the Agreement has been breached in its application to it, him, or them, respectively. Any incident which occurred

or failed to occur prior to the effective date of this Agreement shall not be the subject of any grievance hereunder.

4. **Day** – for the purposes of this Article, day shall mean a working day.

C. PROCEDURES FOR FILING A GRIEVANCE

The Union or any member of members of the bargaining unit having a grievance, as defined above, shall seek its resolution only in accordance with the grievance procedure set forth in this Article.

STEP 1: APPOINTING AUTHORITY/DESIGNEE

Save as is provided in Section 1, a grievant shall initiate the grievance procedures of this Article by filing with the Appointing Authority or his/her designee, during the term of this Agreement or an extension thereof, a grievance form that a grievance exists. No such notice may be filed more than ten (10) days from the date of occurrence of the event upon which the grievance is based or from the date when the grievant has or should have had knowledge of the event upon which the grievance is based or the grievance shall be waived. The filing date required hereunder shall be deemed to have been complied with by a postmark or date-stamped by the Office of the Appointing Authority dated within the specified time limit. Within five (5) days after the receipt of such notice, the Appointing Authority or his/her designee shall meet with the grievant/Union and attempt to resolve the grievance. If within five (5) days after such meeting or within 20 days after the occurrence or failure of occurrence of the event on which the grievance is based, the Union and the Appointing Authority or his/her designee shall have failed to agree upon a resolution of the grievance, the Union may elect to proceed to Step 2.

STEP 2: OFFICE OF LABOR RELATIONS: CITY GRIEVANCE COMMITTEE

If the Union elects to proceed to this Step, then within twenty (20) days after the occurrence or failure of occurrence upon which the grievance is based (even if the Appointing Authority has failed to meet pursuant to Step One), it shall file with the City's Office of Labor Relations:

a. a grievance form; and

b. all documents and evidence in its possession and upon which it relies or intends to rely as supporting its claim for relief. All such documents and evidence so filed shall form a part of the grievance record. Failure to file a complaint within the time limits specified above shall constitute a waiver of the grievance under this Article. A hearing shall be held within thirty (30) days after filing of the grievance form. Conducting the hearing shall be one or more of the staff of the Office of Labor Relations. In addition the City's Committee to hear grievances may include such other persons as the Office of Labor Relations may from time to time designate. The Office of Labor Relations shall consider any grievance the resolution of which shall have been sought, pursuant to the terms set forth herein, through the prior Steps of the grievance procedure. The City shall file all evidence in its possession upon which it relies or intends to rely as supporting the City's position.

Hearings on grievances filed at this step shall be held within fifteen (15) days after the filing of the grievance form. Within twenty (20) days after the hearing the City Grievance Committee shall issue an answer. If the City Grievance Committee shall have determined that an express provision of this Agreement has been breached in its application to the grievant as claimed, it shall be consistent with the terms of this Agreement, provide the appropriate remedy for such breach. Whenever the Office of Labor Relations shall have provided any remedy by it deemed appropriate, such remedy

shall be set forth by it in writing in its answer. Such determination when so set forth in writing shall thereafter form a part of the grievance record. If the grievance shall not have been resolved to the satisfaction of the Union, then, subject to the provisions of the Article, it may elect to proceed to Step 3.

STEP 3: ARBITRATION

Within twenty (20) days after receipt of the decision rendered at Step 2, or if no decision has been rendered at Step 2, within the time specified, or where the parties mutually agree to waive Step 2 of the grievance process, then within twenty (20) days thereafter, arbitration of a grievance may be initiated subject to and in accordance with the following provisions:

1. The Union shall have the exclusive right to initiate arbitration of a grievance. Whenever the Union shall initiate arbitration of a grievance the resolution of which has theretofore been sought by a member or members of the bargaining unit, then such member or members shall be bound in all respects by the decision of the arbitrator to the same extent as the Union and the City.

2. The Union may initiate arbitration of a grievance only if the resolution of the grievance has been sought through the initial two (2) prior Steps of the grievance procedure.

3. The Union shall initiate arbitration by giving written notice to the Office of Labor Relations within the said twenty (20) days that it intends to submit a grievance to arbitration.

Within ten (10) days of the Office of Labor Relations receipt of such notice from the Union, the parties shall promptly select an arbitrator as follows: The parties shall maintain a list of mutually agreed to arbitrators who will serve to hear disputes. An arbitrator shall be selected from a rotating panel. Either party shall have the right to remove arbitrators from the list upon giving thirty (30) days' notice to the other party, in which case another arbitrator shall, by joint agreement, be added to the list. Once an arbitrator is selected, the parties shall contact the arbitrator to schedule an available date for the hearing. If the parties are unable to mutually agree upon an arbitrator, thereafter, the parties shall proceed in accordance with the rules of the Labor Relations Connection. "Submission to arbitration" means a letter to the Office of Labor Relations, postage prepaid, postmarked within the specified time limits. Any issue regarding the rules and procedures for arbitration not covered above shall be subject to the voluntary rules of the Labor Relations Connection.

The fees and expenses of the arbitrator shall be shared equally by the parties and the decision of the arbitrator shall be final and binding on the parties. In cases where the question of arbitrability is raised, the arbitrator (as selected in accordance with this Article) may decide the arbitrability of the grievance.

D. DECISION OF THE ARBITRATOR

Within thirty (30) days after the conclusion of a hearing or within thirty (30) days after the date on which briefs shall have been submitted, the arbitrator shall determine:

1. Whether the complaint alleges a breach of an express term of the Agreement;
2. Whether the arbitrator has jurisdiction to arbitrate; and
3. Whether an express provision of this Agreement has been violated in its application to the grievant. The arbitrator shall render his/her decision in writing, shall state the reasons therefore, and shall promptly provide copies of his/her decision to the

parties to the arbitration proceeding. The arbitrator hereunder shall be without power to alter, amend, add to, or detract from the language of this Agreement. The decision of the arbitrator shall be final and binding on the parties in accordance with M.G.L. c. 150C. The arbitrator shall have no power to recommend or impose any right or relief for any period of time prior to the effective date of this Agreement.

E. AWARD OF THE ARBITRATOR

If the arbitrator determines that no express provision of this Agreement has been breached in its application to the grievant as claimed, he/she shall dismiss the grievance. If the arbitrator determines that this Agreement has been so breached, he/she may, subject to the provisions of this Article, provide an appropriate remedy for the breach; provided, however, that in making any monetary award, the arbitrator shall only provide compensation for actual damages directly attributable to such breach, and shall in no event make any award of penal damages; and provided further that, save as is hereinafter provided, the arbitrator shall make no award that grants any appointment, reappointment, promotion, or termination, of any member of the bargaining unit.

F. WAIVER, ADMISSION AND TERMINATION

1. **Waiver** – Failure of a grievant to comply with any of the provisions of this Article shall be deemed to be a waiver of the rights to seek resolution of the grievance under the terms of this Agreement. In determining whether there has been any such failure to comply with any of the provisions of this Article, time shall be deemed to be of the essence, and any failure of the grievant to comply with any of the time limits prescribed herein shall be deemed to be such failure to comply with the provisions of this Article; provided, however, that the time limits prescribed herein may be extended in any specific instance by mutual written agreement of the parties.

2. **Admission** – The resolution of a grievance by the Appointing Authority/designee, or by the Union, as the case may be, shall not be deemed to be an admission by either party that the grievance, has for any other purpose or proceeding standing as a grievance, or be an admission by either party of any violation or breach of the terms of this Agreement, or be an admission by the City that such grievance is cognizable or justiciable according to any applicable provisions of the laws of the Commonwealth.

3. **Termination** – If any member or members of the bargaining unit shall initiate in any administrative forum other than the Department of Labor Relations or in any judicial or like proceeding that relates to any matter that is the subject of a grievance in respect of which such member or members is or are the grievant while any proceeding in respect to such grievance is pending under any provision of Section C of this Article, such Section C proceeding shall terminate as of the date of the initiation of such other administrative or judicial proceeding, and the grievance procedures aforesaid shall be inapplicable to such grievance.

G. PAST PRACTICES

1. Except as specifically amended by other provisions of this contract, established personnel policies and practices shall remain in effect for the duration of this Agreement subject to the union's right to grieve and arbitrate any change meeting the following criteria:

1. the past practice must have been uniformly and consistently applied;
2. the past practice must affect a substantial benefit to the bargaining unit;
3. the past practice must be a mandatory subject of bargaining under M.G.L. c. 150E.
4. the change in past practice was made without good reason.

2. In determining whether a past practice shall remain in effect, the arbitrator must consider whether the specific enumerated rights listed in Article 7, Section 2, exclusive of the last phrase beginning “and in all respects...” applies.

3. In the event the Union seeks to present an issue grieved under this Article to the Massachusetts Department of Labor Relations, all rights to further process the grievance shall cease.

ARTICLE 11.

Sick Leave and Personal Days

Section 1. Every employee covered by this Agreement who has completed his/her probationary period as defined in Article 9 of this agreement, shall be granted sick leave without loss of pay in accordance with the City of Boston Attendance policy. (attached). Sick leave shall accrue at the rate of one and ¼ days per month of actual service. Sick leave not used in the year in which it accrues, together with any accumulated sick leave standing to the employee’s credit on the effective date of this Agreement and not used in the current year, may be accumulated for use in a subsequent year. Sick leave not used prior to the termination of an employee’s service shall lapse, and the employee shall not be entitled to any compensation in lieu thereof, except in accordance with Section 8 of this Article.

Section 2. “Beginning October 1, 2013 every employee covered by this agreement shall be required to comply with the City of Boston Attendance Policy.

Section 3. An employee on leave because of an occupational disability may take such of the sick leave allowance to which he/she is entitled under the City of Boston’s Attendance Policy as when added to the amount of any disability (Worker’s) compensation, will result in the payment to him/her of his/her full salary for any particular work week.

However, an employee who while in the performance of his/her duty receives bodily injuries resulting from acts of violence of a citizen, documented by a police report, and who as a result of such injury has been accepted for and is receiving Workers’ Compensation payment pursuant to G.L. c. 152 shall be paid the difference between the weekly cash benefits to which he/she would be entitled under chapter 152 and his/her regular salary, without such absence being charged against available sick leave credits, even if such absence may be less than six (6) calendar days duration. The provisions in this section shall be limited to ninety (90) calendar days after a bargaining unit member has been accepted and is receiving Workers’ Compensation. This section shall not apply to injuries caused by another City of Boston employee or injuries sustained prior to the ratification of this agreement.

Section 4. Up to five (5) days’ sick leave credit will be restored to an employee’s accumulated sick leave when such employee has used sick leave allowance between the date of injury on the job and date disability (Worker’s) compensation is awarded, except that such sick leave shall be offset proportionately by a disability benefit that is awarded retroactively to date disability was incurred.

Section 5. An annual report of sick leave shall be made available upon request.

Section 6. Annual Redemption of Sick Leave. An employee who has used fewer than five (5) sick days in the twelve-month period ending December 31 of any year in which this Agreement is in effect may elect to redeem sick days in a lump sum cash payment in accordance with the following schedule:

<u>Sick Days Used</u>	<u>Cash Redemption</u>
0	5 days' pay
1	4 days' pay
2	3 day's pay
3	2 days' pay
5	0 days' pay

The per diem rate will be the employee's rate on December 31 as specified in the Pay Schedule included in Article 24, Section 1. During January the City will notify each qualifying employee of his/her entitlement in full days. Unredeemed sick leave days will be accumulated in the normal manner. Sick leave buyback shall be paid by March 31.

Section 7. It is agreed that employees who abuse the sick leave provisions of this Agreement shall not be entitled to paid sick leave and shall be subject to disciplinary action. The Union agrees to cooperate with the City in dealing with problems related to sick leave usage.

Section 8. Sick Leave Redemption. Upon the voluntary resignation of an employee with 20 or more years of service or the death or retirement of an employee pursuant to the regulations of the State-Boston Retirement Board, the City shall redeem a percentage of the employee's accrued but unused sick leave payable to the employee, or in case of death, to his/her estate. Only that unused sick leave based on service to the City of Boston or County of Suffolk may be redeemed.

Effective the first pay period thirty days after approval of this agreement the City shall redeem no more than thirty nine percent (39%) of the total accumulated sick leave at the employee's rate of pay as specified in the pay schedule included in Article 24, Section 1, at the time of resignation, retirement or death. Unused sick time acquired pursuant to Section 10 of this Article shall not be subject to redemption; rather, it shall revert back to the extended sick leave bank.

Section 9. Personal Days. On each January 1 full-time employees on the payroll as of that date will be eligible for (6) six paid personal leave days which may be taken during the following twelve months at a time or times requested by the employee, and approved by his/her superior. Requests of an emergency nature shall not be unreasonably denied. Any employee who begins employment after January 1 but before July 1 shall be entitled to at least two personal days to be taken in that calendar year. Personal leave time shall not be taken during an employee's probationary period. These personal days shall be deducted from accumulated sick leave but shall not be considered sick leave for City purposes of monitoring sick leave usage or annual redemption of sick leave.

Section 10. S.E.N.A. Extended Sick Leave Bank. There shall be established for all members of the bargaining unit an extended sick leave bank which shall be administered by the Office of Human Resources, established and utilized according to the following procedures:

A. To be eligible for membership an employee must have completed his/her initial six (6) month probationary period and must have voluntarily donated one (1) sick day per year to the extended sick leave bank. An employee may donate up to three (3) sick days per year to the extended sick bank during the enrollment period, but in any event, he/she must donate no less than one (1) day per year to be enrolled. Donated days shall be deducted from the accumulated sick leave but shall not be considered sick leave for the purposes of monitoring sick leave usage or the annual redemption of sick leave. In lieu of any cash redemption upon retirement from the City, an employee may elect to

Donate his/her percentage redemption to the extended sick leave bank. The balance in the bank shall consist of the total number of sick days donated less the number of days granted by this Committee.

B. Enrollment in the extended sick leave bank will be open from the period January 1, to January 31 or each year. The Office of Human Resources will distribute information and authorization forms to employee at least thirty (30) days prior to the enrollment period.

C. The Extended Sick Leave Bank Committee will be responsible for the review of requests for sick leave compensation time to be withdrawn from the extended sick leave bank. The Committee shall be comprised of three (3) representatives appointed by the City and three (3) representatives appointed by the union. Members of the Committee shall be granted reasonable time off pursuant to Article 21. Providing that the balance of the bank is sufficient, the Committee shall have the authority to grant up to thirty (30) days of sick leave to an employee per calendar year (Jan. 1-Dec. 31), and shall make a determination on each application for additional sick leave within ten (10) working days of receipt of all documentation of the Committee. The Committee may extend an additional thirty (30) days of additional leave, and in no event shall any one individual receive more than sixty (60) days in total per calendar year. Decision of the Committee with respect to eligibility and entitlement shall be final, and shall not be the subject of grievance or arbitration. In the event that there is a tie vote on any application, the request for use of time shall be decided by the SENA representative(s) on the sick bank committee.

D. Applications for leave to be withdrawn from the extended sick leave bank must be submitted by the employee in writing to the Committee administrator with a signed statement from the employee's doctor which fulfills the criteria in E(3) below. If the Committee has denied the application for leave, the employee may request, in writing that the application be reconsidered at a meeting of the Committee at which the employee is present. The Office of Human Resources shall number each application for leave and shall take other steps to remove any reference to the employee's name from the medical reports or documentation. While the employee requesting to draw from the bank bears the burden of providing medical documentation, the Committee, through the Office of Human Resources, may request additional medical documentation through the employee's Department which may be relevant to the Committee's deliberations. The Office of Human Resources and the Committee shall at all times safeguard and shall not unnecessarily disclose or discuss confidential medical information concerning employees who have applied for sick leave from the bank. The Office of Human Resources shall make periodic status reports on the fund balance as needed by the Committee.

E. The following criteria shall be used by the Committee in awarding sick time from the bank:

1. The employee is eligible by virtue of meeting the criteria in paragraph A above;
2. The employee has exhausted all accumulated sick leave and other paid leave (such as vacation leave, compensatory time and personal leave);
3. The application is accompanied by adequate medical evidence of a serious illness or injury which prevents the employee's immediate return to work.
