UPDATE RE: COVID-19, Temporary Practices

ATTENDANCE

In accordance with Governor Baker's March 12, 2020 Executive Order modifying certain requirements of the Open Meeting Law and relieving public bodies of certain requirements, including the requirement that public bodies conduct its meetings in a public place that is open and physically accessible to the public, the Public Facilities Commission (PFC) will be conducting its meetings virtually. This enables the PFC to conduct its usual business while adhering to public health recommendations and ensuring public access to its deliberations through adequate, alternative means.

You can watch these virtual meetings on Boston City TV at Comcast channel 24, RCN channel 13, and live-streaming at boston.gov/boston-city-tv.

These practices should be considered in effect immediately and will remain in effect until further notice. Updates to these practices will be posted as appropriate.

Sincerely,

Colleen M. Daley

Secretary for the PFC
