TO THE CITY COUNCIL

Dear Councilors:

I transmit herewith for your approval an Order authorizing and approving the City of Boston Conservation Commission to receive a property located at Morrison Street (unnumbered) in the Roslindale neighborhood of Boston and identified by the City of Boston Assessing Department parcel identification number 2005165000 (the "Property").

The Property is located in the Roslindale Wetlands urban wild and will be a valued addition to this natural neighborhood asset. It is currently owned by Ms. Deb Beatty Mel, who lives nearby and is a supporter of this urban wild. She acquired it from an estate solely for the purpose of donating it to the City for its protection as part of the urban wild. It consists of 5970± square feet of vacant upland buffer to an adjacent wetland area that is used for recreation, wildlife habitat, and storm water storage for the Boston Water and Sewer Commission. This gift by Ms. Mel, which furthers a designated public interest for conservation and passive outdoor recreation purposes, will allow the Conservation Commission to progress in its effort to restore and maintain the existing Roslindale Wetlands Urban Wild.

I urge your Honorable Body to pass this Order as expeditiously as possible authorizing and approving receipt by the City of Boston Conservation Commission of said premises to be conveyed by gift from Ms. Deb Beatty Mel.

Sincerely,

Kim Janey
Acting Mayor of Boston
