

AC Unit at 21 Branch Street

September 10, 2021

Viewing from Branch Street

We walked all over the roof of 21 Branch Street and observed from the street. The next two pages show some examples

Conclusion: There is no location on the roof that makes the AC unit invisible from all locations on Branch Street

Screens Visible from Branch Street

Directly across the street from 21 Branch

Proposal

We would like to place a screen, matching the one across Branch Street, around the AC unit
