The Assessing Department is committed to maintaining accurate, consistent and up-to-date parcel data throughout the city. Representatives of the City of Boston Assessing Department will be performing field inspections on certain properties around the City. Each representative will carry a photo ID badge to verify his or her affiliation with the Department. For more information, please call Assessing Department Valuation at (617) 635-1112.

Residential & Personal Exemptions Provide Tax Relief

The residential exemption allows taxpayers who own and occupy their home to have a portion of their property value exempted from taxation. To qualify for Fiscal Year 2023, homeowners must have owned and occupied their home on January 1, 2022. In certain circumstances, taxpayers may also be eligible if they obtained their principal residence between January 1 and June 30, 2022. Documentation proving ownership and occupancy may be required. NOTE: An applicant's Social Security Number is required for identification purposes and will be kept confidential, to be used solely to confirm a 2021 personal income tax filing from the subject property's address with the state's Department of Revenue. No exemption will be allowed if the applicant does not provide this number.

The Assessing Department will send a residential exemption application in Fall 2022 to those taxpayers who purchased their home between July 1, 2021 - June 30, 2022. Approved applicants can expect to see the residential exemption applied to their 3rd quarter tax bill that will be issued in late December 2022.

Personal exemptions are available to qualified homeowners who are elderly, blind, surviving spouses, minor children of deceased parents, veterans with service-connected disabilities, or members of the National Guard or military reserve serving overseas. Each exemption has certain eligibility

requirements (e.g., age, income restrictions). You may not receive more than one personal exemption. If, however, you qualify for two or more exemptions, you will receive the exemption that saves you the most money.

Information about personal exemptions and their specific requirements is available by contacting the Assessing Department Taxpayer Referral & Assistance Center (TRAC) at (617) 635-4287 or by visiting boston.gov/assessing.

It is July 2022. Why have I received a tax bill for “Fiscal Year” 2023?

The City of Boston operates on a Fiscal Year basis. Unlike the calendar year (January 1 – December 31), the fiscal year runs from July 1 to the following June 30 (i.e., Fiscal Year 2023 is from July 1, 2022 – June 30, 2023).

Where should I mail my real estate tax bill payment?

I’m a new owner. Why did I receive my tax bill in the former owner’s name?

State law requires the Collector’s office to send tax bills to the owner of record as of the assessment date. The assessment date for all Fiscal Year 2023 tax bills is January 1, 2022. Change of ownership transactions made after that date will be reflected in Fiscal Year 2024. Contact Assessing Department Tax Data Administration at (617) 635-3783 for further information.

New owners may obtain a duplicate tax bill by calling the Taxpayer Referral & Assistance Center (TRAC) at (617) 635-4287.

I own a house and an adjacent lot. How can I consolidate my two tax bills into one bill?

Obtain a Consolidation Request Form by calling the Taxpayer Referral & Assistance Center at (617) 635-4287 or online at boston.gov/assessing. Go to Real Estate Parcel Consolidation on the left menu. Be sure to include the property parcel ID numbers you wish to consolidate and their exact locations.
