Description of Services

The Office of Arts and Culture enhances the quality of life, the economy, and the design of the city through the arts. The role of the arts in all aspects of life in Boston is reinforced via equitable access to arts and culture in every community, its public institutions, and public places. Key areas of work include support to the cultural sector through grants and programs such as the Artist Resource Desk, Open Studios, and the Poet Laureate; as well as the production and permitting of art in public places via exhibitions, temporary installations, the stewardship of the City's collection of permanent sculpture, memorials and monuments, and the management of the Strand Theatre. The mission is articulated in a cultural plan for Boston and is carried out via the implementation of this plan which will foster further investment in the arts community, deepen intergovernmental collaborations, and address cultural facility development and the support of cultural districts.
