Public Safety

Cabinet Mission

Departments in the Public Safety Cabinet serve to protect the lives and property of City residents. The City maintains a ready state of preparedness through sufficient staffing levels, state-of-the-art equipment, and continual training and evaluation of policies and practices. The focus on neighborhood presence helps the City prevent crime, fire, incidents of terrorism, natural disasters quickly, and increases the sense of safety and security by residents and businesses.

Emergency Management Operating Budget

Description of Services

The Mayor's Office of Emergency
Management coordinates the City's
comprehensive Emergency Management
Program, supports line departments in
their individual homeland security
responsibilities, promotes regular
communication across all departments
and disciplines, and brings departments
together to jointly implement a unified
citywide strategy for emergency
preparedness. The Office also bears
primary responsibility for the resource
development and management of state
and federal funds that support the City's
emergency preparedness strategy.

Emergency Management Performance Grant

Project Mission

The federal EMPG Program serves to assist local governments in preparing for all hazards, as authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.). Title VI of the Stafford Act authorizes FEMA to make grants for the purpose of providing a system of emergency preparedness for the protection of life and property in the United States from hazards and to vest responsibility for emergency preparedness jointly in the federal government and the states and their political subdivisions. The federal government, through the EMPG Program, provides necessary direction, coordination, and guidance, and provides necessary assistance, as authorized in this title so that a comprehensive emergency preparedness system exists for all hazards. Funding is received from the Federal Emergency Management Agency and the Commonwealth of Massachusetts's Emergency Management Agency.

Regional Catastrophic Preparedness Grant Program

Project Mission

The federal Regional Catastrophic Preparedness Grant Program (RCPGP) supports the building of core capabilities essential to achieving the National Preparedness Goal of a secure and resilient nation. Resources are provided to help to close known capability gaps in Housing, Logistics and Supply Chain Management. The grant encourages innovative regional solutions to issues related to catastrophic incidents, and building on existing regional efforts. The region includes communities from Massachusetts, New Hampshire and Rhode Island. Capabilities essential to achieving the National Preparedness Goal of a secure and resilient nation. Citizens Corp Program

Project Mission

The Homeland Security Grant Program (HSGP), though the Massachusetts Emergency Management AgencyOffice of Grants and Research (OGR), assists local and regional Community Emergency Response Team (CERT) organizations in obtaining the resources and capabilities to enhance community preparedness and resilience to hazards and threats. This grant supports the development of a diversity, equity, and inclusion (DEI) training module for the Metro Boston Homeland Security Region CERT program that will prepare members to appropriately navigate cultural, racial, and other potentially charged situations in our communities. As DEI training for CERT does not exist nationally, the successful implementation of the DEI training module could provide a template for other CERTs across the nation.

Emergency Management Capital Budget

Overview

The capital plan for the Office of Emergency Management works to provide OEM a space that is flexible, sustainable, secure, strategically located, and fully interoperable.

FY24 Major Initiatives

• With a building program developed, the City will continue a process to identify and assess potential sites for a new Emergency Operations Center.

Fire Department Operating Budget

Paul F Burke, Commissioner, Appropriation 221000

Department Mission

We, the Boston Fire Department, are an organization of dedicated professionals who are committed to serving the community by protecting life, property, and the environment through prevention, education, emergency medical, civil defense and fire service. We will provide fire protection and emergency service throughout the City of Boston by adequately staffing, training, and equipping firefighters at specific locations within the city.

Selected Performance Goals

BFD Training

• To ensure the safety, health and wellness of the City of Boston fire fighters by providing training in all aspects of Fire Services (including education in prevention) to ensure public safety.

Maintenance

• To ensure City of Boston citizens are safe and protected from all emergencies with adequate fire fighting capacity in the field.

BFD Fire Prevention

• To ensure City of Boston citizens are safe and protected from all emergencies with adequate fire fighting capacity in the field.

Firefighter Safety, Health and Wellness

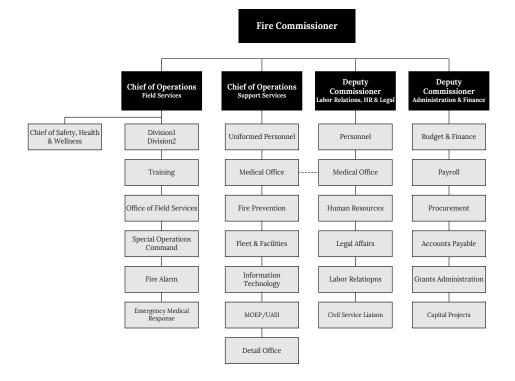

• To protect City of Boston constituents and to ensure the safety, health and wellness of the fire fighters by preventing exposure to carcinogenic toxins and avoiding injuries.

Description of Services

The Fire Department provides fire and emergency protection to all Boston residents and to the hundreds of thousands of people who work, shop and visit the city. To provide this protection, the Fire Department deploys 33 engine companies (five of which are trained and staffed to respond to hazardous material, weapons of mass destruction and decontamination incidents), 19 ladder companies, one fire brigade, three tower ladder companies, two rescue companies, one marine unit (comprised of two vessels), a Safety Division, Six Special Operations Command Units which include a Hazardous Materials Operations Unit, a Mobile Decontamination Unit, a Decontamination Supply Unit, two Technical Rescue Support Units and a Collapse Unit. The Fire Department also operates a Special Unit that doubles as a lighting plant and backup Hazardous Materials Unit through a dispatching system maintained at the Fire Alarm Communications Center. The City's

mutual aid agreement with surrounding areas continues to benefit the City and the involved communities. The Fire Prevention Program provides public education and inspections of residential and commercial properties, investigates suspected arson fires, and issues permits and licenses.

Program 7. Firefighter Safety, Health and Wellness

James Lonergan, Manager, Organization 221800

Program Description

The Firefighter Safety, Health and Wellness program works to protect and promote the well-being of Firefighters as they perform physically challenging responsibilities. The program includes creating awareness through fitness and medical evaluations, encouraging physical fitness and healthy eating and living, improving personal protective equipment, and providing safe driver training. Firefighters who are more physically fit, in addition to benefiting from general wellness benefits, encounter fewer workplace injuries from physically challenging repetitive situations.

External Funds Projects

Assistance to Firefighters Grant Program

Project Mission

Funding provided from the US Department of Homeland Security, Preparedness Directorate's Office of Grants and Training, in cooperation with the United States Fire Administration under a competitive federal grant program. Prior years' funding included the SAFER Grant (Staffing for Adequate Fire and Emergency Response) which provided funding to increase the number of trained, "front-line" firefighters and to construct a building at Moon Island to simulate wind driven fires as well as driver training education. FY20 funding will include the purchase of radio equipment and an accountability management system.

Fire Prevention and Education Fund

Project Mission

This fund is supported by donations from private businesses, organizations, foundations, and individuals. It will be used to promote fire prevention and fire safety education.

Hazmat Materials Response

Project Mission

A grant awarded through the Commonwealth of Massachusetts Executive Office of Public Safety for the Hazardous Materials Response Teams and for the Training Academy. This grant provides for additional training of BFD HazMat personnel and equipment.

Port Security Program Grant

Project Mission

Funded through the U.S. Department of Homeland Security, the Port Security Program Grant will fund underwater hazardous device response training.

Recovery Services Program

Project Mission

Funding from Substance Abuse and Mental Health Services Administration (SAMHSA) to reduce and prevent opioid overdoses. This will be attained by improving access to recovery services and support for affected families and collaborating with other first responders and community stakeholders.

Safety, Health and Wellness

Project Mission

This fund is supported by donations from private businesses, organizations, foundations, and individuals. It will be used to promote policies and procedures that will provide equipment, information, education, and training on firefighter health, wellness and safety.

State Training Grant

Project Mission

Funded through the Commonwealth of Massachusetts Executive Office of Public Safety, for the purpose of providing equipment, training and administrative support for the BFD Training Academy on Moon Island.

The Last Call Foundation

Project Mission

Funding provided by the foundation to the Boston Fire Department to develop technology to create lightweight fire-resistant hoses and to install commercial washing machines that remove toxins from a fire fighter's clothing in all fire houses.

Fire Department Capital Budget

Overview

The Fire Department continues to improve the fire protection and emergency services vital to neighborhood safety and security through capital investment in state-of-the-art technology and equipment. The five-year plan includes replacements or renovations of fire stations across the City.

FY24 Major Initiatives

- The department will purchase two new Ladder trucks and three new Engine trucks as part of a multi-year fire apparatus replacement plan.
- The department will begin planning to replace the "Damrell" their main fire boat and their dive boat the "Kenney".
- Construction of a new fire station for Engine 17 will begin in Dorchester.
- Implementation of a phased radio system upgrade will continue.
- Begin design for a new fire station for Engine 18 in Dorchester.
