OVERVIEW

The Boston Public Health Commission (BPHC) is the local public health department for the city of Boston. BPHC's mission is to protect, preserve, and promote the health and well-being of all Boston residents, particularly the most vulnerable populations.

BPHC is seeking requests for bids from qualified contractors to perform Generator Maintenance for BPHC various locations.

BPHC encourages small, local, minority, disadvantaged, women-owned, veteran and/or service-disabled owned business enterprises to participate in all procurement opportunities.

PROPOSED SCOPE OF SERVICE

Annual maintenance on all listed engines, change engine lubrication oil, oil filter and fuel filter annually. Check battery charging system and alternator, engine radiators and/or city water cooling system for leaks. Check jacket water heater, antifreeze, fuel, oil, and water leakage. Adjust and/or replace fan and governor belts, clean and refill bath type air cleaner. Remove all carbon and dust.

Conduct safety shutdown: check and run generator (except fire pumps, check voltage, frequency, instruments and adjust carburetor and governor.

Respond within two hours to any emergency calls as needed.

Technical assistance for building systems shutdowns, testing, maintenance, inspections, and facility upgrades.

Submit technician report to owner and advice on additional parts/labor required.

BPHC reserves the right to award one or multiple bidders based upon bid is deemed most favorable to BPHC. BPHC has the discretion to modify the scope as necessary prior to execution of the contract with the selected bidder(s). No services shall commence until all necessary contract documentation is fully executed by BPHC and awarded vendor(s). BPHC will work selected bidder(s) to adjust cost(s) based on any revisions to the scope of service. Bidder(s) shall provide special service requests to BPHC as needed but not limited to the scope herein. BPHC will not be responsible for any transportation fees or costs, including but limited to, mileage or fuel cost.

REQUIREMENTS

The following are minimum qualifications and licensing requirements that the bidder must meet to be eligible to submit a bid. Bidders must demonstrate compliance with minimum qualifications. BPHC reserves the right, but is not obligated, to obtain clarification from the bidder if compliance with the minimum qualifications is not clear in the bid. Those that are not clearly responsive to these minimum qualifications shall be rejected by the BPHC without further consideration.

The bidder must have a minimum of 5 years' experience in construction with a minimum of 3 or more contracts of comparable property size and scope as detailed in herein.

Vendor(s) selected to perform the services must agree to the following:

BPHC, as the local board of health for the city of Boston, is the holder of private medical information. This service may expose the vendor employees to such information therefore, BPHC requires the vendor to sign the Health Insurance Portability and Accountability Act (HIPAA) - Business Associate Agreement to protect the privacy of BPHC clients.

The vendor must comply with the City of Boston Living Wage Ordinance.

Vendor is solely responsible for informing BPHC if vendor is or has been debarred, suspended, proposed for debarment, excluded, or disqualified under the non-procurement common rule, or otherwise declared ineligible from receiving Federal contracts, subcontracts, and Federal assistance and benefits in any amount. BPHC will ensure that no party found on Systems for Award Management (SAM) list is awarded a contract.

The vendor must immediately report any discovered damaged property or inoperative items to BPHC so as not to be held accountable. In addition, vendors must report any incidents that involve vendor on BPHC property.

Vendors must assign a supervisor to each location. All services must be performed by employees of the vendor. The vendor agrees to assume responsibility for the actions and conduct of any of its employees. Vendor's employees who violate any rules shall immediately be removed and banned from all BPHC premises. The vendor must provide a list of employees under the contract if requested by BPHC.

Invoice Requirements

The vendor must assign an accounting / financial representative for invoicing and all fiscal responsibilities and correspondence. The following is required for invoice and payments:

Vendors must submit a typed or printed invoice; handwritten invoices are not acceptable.

Monthly invoices for cleaning or special service must be submitted and identified with property location, department name, date, and description of service.

A valid Purchase Order Number must be obtained prior to preparing invoices. Purchase Orders must be typed or printed on each invoice.

All invoices must have a unique invoice number.

Invoices without the required information or documentation will not be processed. The vendor will be informed in writing to revise and resubmit the invoice.

Invoice payments will be released within 30 days of the invoice date after approval by the authorized BPHC personnel.

TERMS OF SERVICE

BPHC may cancel the RFP or reject all bids at any time prior to award, if BPHC determines its best interest will be served by such action. Written notice of the cancellation will be made to bidders. A bidder's failure to satisfactorily furnish required contract documents within BPHC's Procurement Office request time may result in the bidder forfeiting its award. BPHC reserves the right to select the next lowest responsive and responsible bidder for this RFP.
