

Application for Replacement
of Store Sign at 73 Charles St,
Unit 1A

Project Description

We plan to remove the existing wall and blade signs on the front facade and replace them with new carved wood signs. We are working with Zebra Visuals, based in Plymouth, MA. The new wall sign will be crafted from 6/4 mahogany with a 1/2" bevel, measuring 126" x 20" (17.5 SF). The blade sign, utilizing the same bracket as the original, will be 30" in diameter, crafted from 8/4 mahogany with a 3/8" bevel.

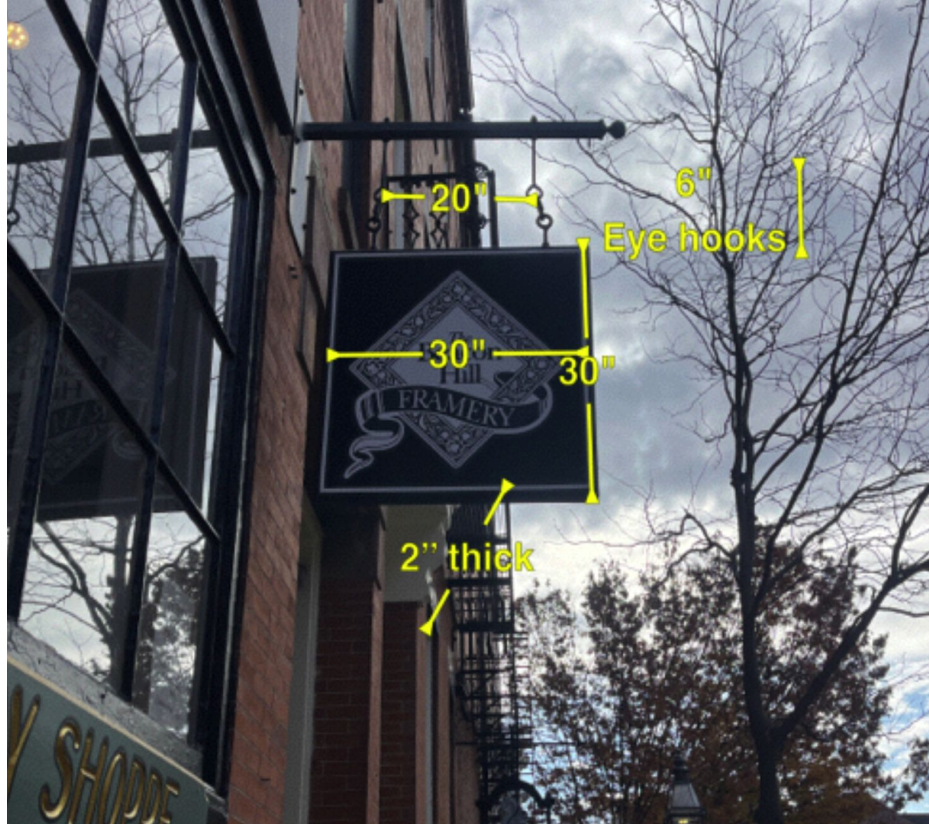

Both signs will use an acrylic urethane satin paint finish in the colors of white, light pink, and dark maroon. The existing bracket and french cleats will be used for installation. The estimated total cost for this project is \$5500.00. Pending approval, the proposed sign replacement is scheduled to commence in January.
