5:00 PM: Commissioner Kathleen Connor called the public hearing to order. She explained that, pursuant to the Commonwealth of Massachusetts Executive Order Suspending Certain Provisions of the Open Meeting Law, that the public hearing was being conducted virtually via the online meeting platform Zoom in order to review Design Review applications. She also briefly explained how to participate in the online hearing.

Following this brief introduction she called the first Design Review application.

I. DESIGN REVIEW

APP # 23.0750 BB ADDRESS: 216 Newbury Street

Applicant: Joseph McCarthy Proposed Work: At rear elevation create masonry opening and install a six (6") inch by eight (8") inch diffuser vent.

Project Representative: John Carroll was the project representative.

The Commissioners reviewed a presentation consisting of photos of existing conditions and plans for the proposed work.

Discussion Topics: The Commissioners discussed the six vent location options explored by the applicant and agreed the proposed location at the rear elevation is most appropriate.

Public Comment: There was no public comment.

Commissioner I Demetriades motioned to approve the application. Commissioner J Christiansen seconded the motion. The vote was 6-0-1 (Y: ACP, JC, KC, ID, TH, TN) (N: None) (Abs: EM)

Commissioner E. MacLeod arrived at 5:19 PM

5:05 PM

APP # 23.0744 BB

ADDRESS: 44-46 Newbury Street – Continued from 4-12-2023

Applicant: Julie Reker Proposed Work: At Newbury Street Façade redesign entrance. Work includes installing granite ramp and entry steps, converting existing window into an entry door with sidelights, replacing a set of entry doors with single door with sidelights, and adding plaque with address; and at roof replace HVAC equipment.

Project Representative: Julie Reker was the project representative.

The Commissioners reviewed a presentation consisting of photos of existing conditions and plans for the proposed work.

Discussion Topics: The Commissioners discussed the changes made following the comments from the 4-12-2023 hearing. They suggested chamfering the granite to soften the cheek walls at the steps, and discussed the appropriateness of the proposed lighting at the steps.

Public Comment: Serge Savard, Neighborhood Association of the Back Bay (NABB), supported the changes made since the 4-12-2023 and recommended removing the proposed up lighting from the project. Sue Prindle, Neighborhood Association of the Back Bay (NABB), supported the idea of chamfering the edges of the granite at the cheek walls and spoke in support of lighting at the steps.

Commissioner I Demetriades motioned to approve the application with provisos. Commissioner J Christiansen seconded the motion. The vote was 7-0 (Y: ACP, JC, KC, ID, TH, EM, TN) (N: None).

• Final details regarding lighting and corner details of the low granite walls are remanded to staff.

APP # 23.0799 BB5:48 PMADDRESS: 339 Commonwealth AvenueApplicant: Timothy BurkeProposed Work: At rear elevation replace existing one-story wood-framed addition.

Project Representative: Timothy Burke was the project representative.

The Commissioners reviewed a presentation consisting of photos of existing conditions and plans for the proposed work.

Discussion Topics: The Commissioners discussed the fact that the existing addition is not an original or early feature of the building and agreed that it can be removed; however, they questioned the appropriateness of replacing it with a wood-framed structure. They also suggested converting an existing window at the rear of the building into a door.

5:20 PM

Public Comment: Serge Savard, Neighborhood Association of the Back Bay (NABB), commented that the proposed design is too crowded and recommended leaving more space between the addition and the oriel window.

Commissioner T High motioned to deny the application without prejudice. Commissioner I Demetriades seconded the motion. The vote was 7-0 (Y: ACP, JC, KC, ID, TH, EM, TN) (N: None).

APP # 23.0899 BB6:08 PMADDRESS: 285 Commonwealth AvenueApplicant: Ian MastersProposed Work: At roof replace deck, re-clad existing headhouse, install lighting, built-in furnitureand planters.

Project Representative: Ian Masters and Aimee Wolf were the project representatives.

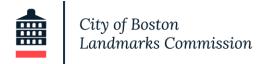

The Commissioners reviewed a presentation consisting of photos of existing conditions, and plans for the proposed work.

Discussion Topics: The Commissioners discussed the history of the deck and that it was likely built prior to 1990 before the current design guidelines were adopted. They also discussed the fact that the proposed deck in not visible from any public way.

Public Comment: Serge Savard, Neighborhood Association of the Back Bay (NABB), commented that he was pleased to see the proposed screening lowered in height and the planters moved inside the deck railing; however, he felt that the deck should be located within the inner edges of the chimneys.

Commissioner T High motioned to approve the application with provisos. Commissioner J Christiansen seconded the motion. The vote was 7-0 (Y: ACP, JC, KC, ID, TH, EM, TN) (N: None).

- That the approval reflects the specific nature of this application including (a) the Commission's finding that the current deck was built prior to 1990 when the residential guidelines were adopted, and (b) the proposed deck is not visible, even minimally, from any public way;
- That the northern (rear) edge of the deck be set back to the outer edge of the rear chimneys; and
- That the existing safety railing at the rear edge of the building be removed.

APP # 23.0904 BB

ADDRESS: 200-202 Beacon Street

6:31 PM

Applicant: Marc LaCasse Proposed Work: Proposed renovation to existing garage connector walkway and alterations to rear elevation to include: at rear elevation convert existing window to French door, make opening in masonry for fireplace vent, replace windows in-kind, repaint wood surfaces; and at connector remove copper roof and add decking and black iron railing.

Project Representative: Marc and David Schwartz were the project representatives.

The Commissioners reviewed a presentation consisting of photos of existing conditions and plans for the proposed work.

Discussion Topics: The Commissioners discussed the appropriateness of making an opening in the masonry to vent a fireplace which is inconsistent with the Commission's design guidelines for the residential area of the district.

Public Comment: Sue Prindle, NABB, encouraged the applicant to explore an electric fireplace.

Commissioner J Christiansen motioned to approve the application with provisos. Commissioner T High seconded the motion. The vote was 7-0 (Y: ACP, JC, KC, ID, TH, EM, TN) (N: None).

• Application is approved as submitted with the exception of the proposed fireplace vent.
