Description

This is a meeting to inform the public of the recommendations from the Mayor's Office of Arts and Culture's Waterfront Space Planning Study which will be provided by the consulting team Isenberg Projects and Agency Landscape + Planning. The public can expect to hear a brief overview of the project followed by a presentation on the recommendations to reform and improve the Chapter 91 Civic/Cultural FPA Space processes. Participants can also expect to learn more about how to provide comments on the drafted recommendations.

The format of this meeting will include an approximately 30-minute presentation from the consultant team followed by a question and answer session.

The Draft Recommendations that will be discussed can be viewed here:
