

ABOUT THIS ILLUSTRATION
 This is an illustration of our final design plans for Boylston Street between Massachusetts Avenue and Arlington Street. It is for informational purposes only; it is not drawn to scale and is not meant for construction. Final conditions may differ from those shown here. For more information, visit boston.gov/boylston-street-back-bay.

PARKING & CURB REGULATIONS
 We will introduce new curb regulations to serve businesses, reduce double parking, and manage pickup/drop-off activity. You can view the planned changes in a separate document posted on the project website. Car icons are for reference only to illustrate where there is a legal curb use. Car icons do not represent the number of parking spaces or type of curb regulation. Always observe parking signs.
