Overview

The Boston Public Health Commission (BPHC) is the local public health department for the City of Boston whose mission is to protect, preserve, and promote the health and well-being of Boston residents, especially those among the City's most vulnerable populations.

As part of this mission, BPHC is requesting bids from qualified laundry and linen cleaning vendors to pick-up, wash, dry, fold, bundle, and return laundry and linens to multiple BPHC locations in Boston for a total service term of three years that begins with an initial one-year term after which BPHC, at its sole discretion, may opt to accept or decline the additional two years of service. Vendors may bid to secure services for all program sites or individual program sites, and BPHC may select multiple vendors to provide services across different sites or one vendor to provide services for all sites.

BPHC encourages Certified Underrepresented Business Enterprise (CUBE) vendors, including small, local, minority business enterprises (MBE), woman business enterprises (WBE), minority and woman business enterprises (M/WBE), veteran-owned business enterprises (VBE), minority non-profit organizations (M/NPO), women non-profit organizations (W/NPO), minority and women non-profit organizations (M/W/NPO), disability-owned business enterprises (DOBE), and lesbian, gay, bisexual or transgender business enterprises (LGBTBE) to participate in all BPHC procurement opportunities. For more information on how to become a Certified Underrepresented Business Enterprise, vendors should visit www.boston.gov/departments/economic-development and/or www.mass.gov/supplier-diversity-office.

Qualification Terms

Vendors must have at least five years of experience in providing laundry and linen services and must clearly demonstrate in their proposal how they can and will fulfill all the services requested in this RFB's "Scope of Service."

Vendors must comply with the City of Boston Living Wage Ordinance. For more information regarding this ordinance, vendors should visit www.boston.gov/worker-empowerment/living-wage-division

Cancellation and Withdrawal Terms

BPHC may cancel this RFB and/or reject any bid prior to award. In such cases, BPHC will provide vendors with a notice of cancellation.

Vendors may withdraw their bid by June 15, 2024, at 5pm. Vendors cannot resubmit withdrawn bids after this deadline. Vendors must submit their notice of withdrawal in writing to RFR@bphc.org

Scope of Service

For a detailed breakdown of services requested, read this section carefully.

BPHC is seeking qualified vendors that can provide laundry and linen cleaning services for three programs in Boston: the Homeless Service Bureau (HSB), the Recovery Service Bureau (RSB), and the South End Fitness Center (SEFC). HSB has two permanent sites and one temporary site. Service for the temporary site will end October 2024. Both RSB and SEFC have one site. The total volume of laundry and linen for the listed program sites is approximately 5050 lbs. per week.

Fulfilling this service, the vendor(s) must pick up, wash, dry, fold, bundle, and drop off laundry and linen, including sheets, blankets, pillowcases, and towels, on a daily, weekly, and/or bi-weekly basis and at times that each program site will determine. The vendor(s) must accommodate each program's pickup and drop off timeframe as indicated on page four (4) of this RFB.

The vendor(s) must assign a supervisor as the designated primary contact person reachable during regular business hours via phone and email for all program sites.

The vendor(s) must provide a list of their employees performing services for BPHC upon request and assume responsibility for their employees' actions and conduct. The vendor(s) must immediately report to BPHC any discovered damage, inoperative items, lost items, or incidents involving vendor employees on BPHC property. If they do not, BPHC may hold the vendor(s) accountable for damages, inoperative items, lost items, and incidents.

The vendor(s) must furnish all labor, material, supplies, and equipment, including bags, needed to perform the services requested in this RFB. As indicated on page four (4), the vendor(s) must supply the laundry and linens to RSB and SEFC on the first day of service.

The vendor(s) must track all received and delivered laundry and linens, and they must provide BPHC with documentation, including weight tickets, for each pickup and drop off.

The vendor(s) must accommodate any performance review requests. BPHC may evaluate the vendor(s) performance through regular reviews of site-determined key performance indicators (KPIs), including on-time pickup and drop off and accuracy of items delivered.

The vendor(s) must provide, and articulate in their proposal, a comprehensive transition plan to ensure a seamless transfer of laundry and linen services and items at the end of the service term. The transition plan must include detailed timelines, responsibilities, and communication protocols aimed at minimizing service disruptions.

The vendor(s) must make same day service available to the program sites upon request (i.e., in emergency cases) and at the usual cost per pound agreed to in the contract. Additionally, the vendor(s) must provide 24/7 emergency contact information.

The vendor(s) must adhere to all the services requested in this RFB's "Scope of Service."
