**EFSB 22-03/D.P.U. 22-21 – Greater Cambridge Energy Program**

On March 10, 2022, pursuant to G.L. c. 164, §§ 69J, 72, NSTAR Electric Company d/b/a Eversource Energy (“Eversource” or “Company”) filed petitions with the Energy Facilities Siting Board (“Siting Board”) and the Department of Public Utilities to construct: (1) eight new 115 kV underground transmission lines that will be housed in a total of five new duct banks, totaling approximately 8.3 miles, in portions of Cambridge, Somerville, and the Allston/Brighton area of Boston (the “New Lines”); (2) a new 115/14 kV substation, which will be located in an underground vault on a property between Broadway and Binney Streets in the Kendall Square area of Cambridge (the “New Substation”); and (3) modifications to certain existing substation facilities in Cambridge, Somerville, and Allston/Brighton. This work is collectively referred to as the “Greater Cambridge Energy Program,” or the “Project.”

The Siting Board will conduct a public meeting regarding the Project. The purpose of the Siting Board meeting is to listen to comments, deliberate, and vote on whether to approve, approve with conditions or amendments, or reject a Tentative Decision regarding this Project. The Tentative Decision is available on the Siting Board’s information webpage for this proceeding: <http://www.mass.gov/info-details/greater-cambridge-energy-program>.
