

Requesting Tree Removal

What we were told by our arborist in our service last year:

Remove the 9.23” diameter linden located on Highland leaving a low stump This tree is in a state of decline.

Trees above 8” dbh require permission form the below mentioned prior to removal.

This will require permission from Highland Park Architectural conservation district -via Boston Landmarks Commission Client will be responsible for obtaining this and providing proof to STC

This removal will be billed and done separately from Item 1

\$622.50
