

# You know what your community needs to stay healthy. We want to hear it.

**The Boston Community Health Needs Assessment Survey informs our public health planning.** It also guides our work of making Boston a healthier city for all. The survey is confidential, **takes 7-10 minutes**, and is open to Boston residents age 14 and up.

**Join the conversation.**

Scan the QR Code to take the survey or visit [boston.gov/bphc-bostonchna](https://boston.gov/bphc-bostonchna).
