

# Textiles Untangled

**Textiles are everywhere!** They're In our clothing, furniture, toys and even computers! But what exactly are textiles made from? How far do clothes travel before we buy them? Join Hyde Park Branch Library and Boston's Zero Waste Team as we guide participants through an interactive workshop to discover the lifecycle of a piece of clothing.

Presented in partnership with Hannah Mermin and Boston's Zero Waste Team. Hannah is the Zero Waste Outreach and Communications Coordinator for the City's Zero Waste Team and works to inspire Boston residents to utilize the City's free services to live more sustainably.
