# PROJECT GOALS 項目目標

---

- Rectify inequitable lack of green and open spaces in Chinatown 改善唐人街綠地和開放空間分配不均的問題
- Reduce isolation and increase community cohesion by activating shared space 通過活化共享空間, 減弱居民的孤獨感, 增強社區凝聚力
- Provide a platform for arts and culture programming 提供藝術與文化活動的平臺
- Address impacts of highway development and urban renewal on health and air quality 解決高速公路開發和城市更新對居民健康及街區空氣品質的影響
- Foster a sense of belonging and care for Chinatown 培養對唐人街的歸屬感及共創街區的意識
- Support the vibrant business community in Chinatown 支持唐人街充滿活力的商業社群
- Mitigate urban heat island effect with increased porous and green surface coverage 通過提高路面的滲透率與綠化覆蓋率, 減輕城市熱島效應

# ENGAGEMENT GOALS 社區參與目標

---

**The engagement goals are overarching and inform the strategy for the community engagement process throughout waves 1, 2, and 3.**  
這裏所列出的社區參與目標是統領性的，為第一輪、第二輪和第三輪的社區參與過程提供策略指引：

 Is inclusive and reaches across the different segments of the Chinatown community

包容且多元，聽取唐人街社區的不同群體的聲音

 Results in a design that reflects the community's needs, desires, and hopes

確保設計結果反映社區的需求、願景和期望

 Engages relevant stakeholders/potential users of Phillips Square so they feel heard and included

讓菲利普廣場的利益相關者/潛在使用者參與進來，讓他們感受到被傾聽與包容

 Keeps the community informed throughout the process

在整個過程中向社區持續提供資訊
