

HANDRAIL INSTALLATION

70 MOUNT VERNON STREET
BOSTON, MA

ISSUED FOR HISTORICAL APPROVAL

PROPOSAL

- The Hill Condo Apartments Association would like to install handrails at the entryway of 70 Mount Vernon Street.
- The Association seeks to copy the existing handrails currently in place at 72 Mount Vernon Street (another building within the Association).
- Woven Steel will be the contractor fabricating and installing the handrails and has provided the association an estimate of \$2,500 for the railings.
