Dear Commissioners:

I recommend that the following vote attached hereto and referred to as the Boston Transportation Department agenda, be approved by the Commission at its February 26, 2025 meeting:

**VOTE 1: Nicholas Gove, Commissioner, Boston Transportation Department**

Grant of Easement to Boston Water Sewer Commission (“BWSC”) of certain permanent and temporary easements affecting a portion of BWSC property known as Permanent Easement E-7 and Temporary Easement TE-17, taken for the benefit of the City of Boston Transportation Department pursuant to an Order of Taking dated August 14, 2019, recorded with the Suffolk County Registry of Deeds (the “Registry”) in Book 61592, Page 245 and shown in Plan Book 2019, Page 446.

BTD pursuant to a vote by City Council deemed the above referenced easements as surplus and is now seeking to grant and release the easements to BWSC, but shall retain all other rights and interests in the above referenced Order of Taking.

Sincerely,

Nicholas Gove, Commissioner  
Boston Transportation Department
