

COMMUNITY BENEFITS RECAP

Please note that the deadline for Community Benefits is April 1, 2024. There are also two additional data points we would like to collect this year (see footnotes for more info).

Once completed, please rename the document to reflect the name of your organization. Email an excel and PDF version to PILOTprogram@boston.gov.

INSTITUTION NAME:		Tufts Medical Center		FINANCIAL YEAR:		2023			
Program Name	Brief Program Description	Amount (\$)	Cash, In-Kind, or Both ¹	1-time or Ongoing ²	Who is Served ³	Program Initiator ⁴	City-wide or Neighborhoods Served ⁵	Community Benefit Category ⁶	Partners
Behavioral Health Initiative	Tufts MC's Behavioral Health Initiative addresses socioemotional wellbeing, mental health and substance use disorder needs of underserved populations. The program takes a two-pronged approach by focusing on prevention and intervention/treatment. Activities include educational workshops and outreach programs designed to increase awareness of mental health and substance use disorder issues, stress management workshops, tobacco cessation programs, school-based psychiatry consultations, and support groups aimed at promoting mental health and wellbeing.	\$909,898	Both: 98.3% Cash, 1.7% In-Kind	Ongoing	Boston's low-income youth, adults, and seniors; Adults in recovery from substance use disorder	Institution/Community	City-wide, particularly Chinatown, Dorchester, South End and South Boston	Community Health	Tufts MC Division of Trauma; Josiah Quincy Elementary School; Hurley School; Boston Chinatown Neighborhood Center; Boston Asian: Youth Essential Service; South Boston Community Health Center; Greater Boston Chinese Golden Age Center; St. Mary's Center For Women and Children; South Boston Neighborhood House; Smart from the Start; Suffolk County District Attorney; Gavin Foundation; Tufts MC Psychiatry; Child Life Services
Promoting Equitable Access to Care and Services	The Access to Care and Services program aims to improve health outcomes for underserved populations by offering education, prevention, and early intervention activities. These include: health screenings, classes, and workshops covering topics such as nutrition, asthma, kidney disease, stress management, stroke, and fall and injury prevention. It also aims to address social determinants of health by connecting residents with access to healthy food, rent and utility assistance, social support networks, and other social services.	\$296,015	Both: 81.1% Cash, 18.9% In-kind	Ongoing	Boston residents, especially seniors from Chinatown, Dorchester, and South Boston	Institution/Community	City-wide	Community Health	Tufts MC Nephrology; Tufts MC Neurology; Tufts MC Radiation Oncology; Uphams Corner Health Center; Family Nurturing Center; Dorchester Food Co-Op; Bowdoin Street Health Center; Frances Stern Nutrition Center
