General Rules

Meeting Time

Rule 1. Unless otherwise ordered from time to time, and except on holidays, the regular meeting of the City Council shall be on Wednesdays at twelve o'clock noon in the Christopher A. Iannella Council Chamber, One City Hall Square, 5th Floor, Boston, unless otherwise determined by the Council President. Special meetings may be called at the Council President's discretion, upon a forty-eight (48) hour notice from the time the notices are posted by the Clerk, or relayed to each Councilor's office in compliance with the Open Meeting Law. Special meetings of the Council may be called by the Council President upon less than forty-eight (48) hours notice in the case of an emergency, in compliance with the Open Meeting Law, and with the consent of two-thirds (2/3) of all members of the Council. A roll call vote will be taken at the beginning of a meeting called on less than forty-eight (48) hours notice to affirm the two-thirds (2/3) agreement to hold the special meeting.

Quorum

Rule 2. A quorum of the Council shall consist of seven (7) members and any member may call for a roll call on the question of the presence of a quorum. If at any time, any meeting is called to order, or if during a meeting, a roll call shows less than a quorum, the Presiding Officer shall call a recess of not more than ten (10) minutes, after which time, if a quorum is not present, the meeting may be adjourned by the Presiding Officer.

Presiding Officer

Rule 3. The Council President shall serve as Presiding Officer of the Committee of the Whole and shall assume the Chair at the hour set by the previous adjournment, call the members to order after a roll call showing a quorum present, and proceed with the regular order of business. The Council President shall select a President Pro Tempore to act in their absence and serve as Vice Chair of the Committee of the Whole. In the event of the absence of both the Council President and the President Pro Tempore, the senior member by age shall preside. The term of the Council President shall be two (2) years, co-terminus with the term of the City

Council, except that by a vote of two-thirds (2/3) of all members of the Council, the Council may declare the role vacant and conduct a new election for Council President. A member, after serving a term as Council President, may again serve as Council President after two (2) years have passed.

Appealing a Decision of the Chair

Rule 4. The Presiding Officer may speak to points of order in preference to other members, and shall decide all questions of order, and assignment of matters to Committee, subject to an appeal of the decision of the Chair, but no appeal shall be considered unless properly seconded. No other business except a motion to adjourn or to lie on the table shall be in order until the question on appeal has been decided. The question shall be put as follows:

"Shall the decision of the Chair stand as the judgment of the Council?"

The vote shall be by a roll call vote, and it shall be decided in the affirmative unless a two-thirds (2/3) majority of all the members of the Council is to the contrary.

Matters Properly Before Council

Rule 5. Any motion, order, or resolution which conflicts with the City Charter, federal or state constitution, or with rules prescribed by existing city ordinance, federal law, or state law, or which in the opinion of the Presiding Officer does not have a direct bearing on the business of the Council, is duplicative of a matter already in Committee, or was previously acted upon in the current municipal year may be placed on file. The decision of the Chair shall be a final disposition of the matter, subject to an appeal, but no appeal shall be considered unless properly seconded. No other business except a motion to adjourn or to lie on the table shall be in order until the question on appeal has been decided. Prior to the vote, the proponent of the motion, order, or resolution shall have three (3) minutes to explain the issue and the need for the Council to take action on the matter. Afterward, those members who share the opposite view, should they choose to, shall have the opportunity to select one of its members to speak for no more than two (2) minutes on the opposing view. A matter that has been placed on file under Rule 5 and is under appeal shall not be subject to amendment. After the debate, a vote on the matter shall be taken. The question shall be put as follows:

"Shall the decision of the Chair stand as the judgment of the Council?"

The vote shall be by a roll call, and it shall be decided in the affirmative unless a two-thirds (2/3) majority of all the members of the Council is to the contrary.

Recess

Rule 6. The Presiding Officer may at any time, during debate or otherwise, declare a recess for not more than twenty (20) minutes, unless the Presiding Officer declares that the Council will return to public session at a time certain. Such action shall not be subject to appeal, nor shall any motions apply thereto.

Propounding Motions

Rule 7. The Presiding Officer shall propound all motions in the order in which they are moved unless the subsequent motion shall be previous in its nature.

Deciding Questions

Rule 8. Subject to the provisions of these rules, the Presiding Officer, without debate, shall decide all questions relating to priority of business.

Dividing a Question

Rule 9. The Presiding Officer, at the request of any member, shall make a division of a question when the sense will admit of it.

Doubting the Vote

Rule 10. The Presiding Officer shall declare all votes. If any member doubts a vote, the Presiding Officer shall cause the vote to be taken by a roll call.

Vacating the Chair

Rule 11. When the Presiding Officer wants to vacate the Chair, they shall call on the President Pro Tempore to take the Chair. In the absence of the President Pro Tempore, any member can be asked to assume the Chair. The Presiding Officer may resume the Chair at will.

Agenda

Rule 12. Any measure submitted for consideration by the Council shall be filed with the Clerk electronically with one (1) hard copy delivered to the Clerk's office by ten o'clock AM two (2) days preceding the Council meeting. The Clerk shall publish the agenda online no later than

forty-eight (48) hours prior to the Council meeting. With the exception of consent agenda items, all new Councilor-sponsored filings shall be submitted by no more than two Councilors. Other Councilors may sign on to the legislation during the scheduled Council meeting. Such submission is a prerequisite to any item's consideration at such meeting.

Duties of the Clerk

Rule 13. It shall be the duty of the Clerk, acting as Clerk and parliamentarian of the Council, to prepare and cause to be printed for each meeting a listing of all matters submitted for consideration to the Council, including the minutes of the previous meeting, in accordance with Rule 12; such listing shall be known as the agenda, and it shall be divided into two sections, the latter of which shall be known as the consent agenda.

The agenda shall include a section on "Matters Recently Heard – For Possible Action", which shall list all matters that are in Committee and publicly noticed to be discussed before any Committee between nine o'clock AM Monday and the beginning of the meeting. Committee Chairs wanting to take action on matters included in this portion of the agenda shall present a Committee Chair Report recommending action at the meeting. The Committee Report will be entered into the record of the meeting. The agenda shall include a list of all pending Council matters, such listing being also known as the "Green Sheets." The Green Sheets shall include a list of all thirty (30) and sixty (60) day orders, matters assigned for further action, matters on the table, unanswered 17F orders, home rule petitions not responded to by the Mayor, and a listing of all matters currently assigned to Committees.

It shall be the duty of the Clerk to post the agenda and the full documents corresponding to the specific docket numbers listed on the agenda on the City's web page no later than two (2) business days (forty-eight (48) hours) preceding the scheduled meeting. If the Clerk's Office decides to post only a portion of an agenda item due to length, they must make a note on the attachment that the attachment is incomplete, and direct viewers to contact their office for the full document. Revised or amended dockets and late file matters shall be posted with the meeting minutes within forty-eight (48) hours of the conclusion of the meeting.

Corrections as to Form

Rule 14. The Clerk, with the assistance of Corporation Counsel, if necessary, may make changes to correct the form of legislation once passed, provided however that its substance is not affected.

Items of the Same Matter

Rule 15. For the purpose of preventing duplicative debate in meetings or in committee, in the event that an ordinance, order, resolution, petition, authorization, agreement, or motion that is duplicative of or is substantively similar to a matter already in Committee or previously acted upon in the current municipal year, is filed with the Clerk for consideration by the Council, the Clerk shall cause to have entered on the agenda only that matter which was first filed during the current municipal year. The name of the Sponsor(s) to the similar matter may be added as a sponsoring member to the first filed matter that is placed on the agenda if the filings were submitted for the same meeting. Such action, however, shall not preclude any member from offering an amendment to such matter. This rule shall not preclude filings whose content is on a different subtopic, or a subtopic not specified or that should not have reasonably been expected to be covered by a previous filing, or filings on topics for which content has evolved since the previous filing, so long as a hearing or debate on the new filing would not result in the same hearing or same debate that would otherwise be had under the previous filing.

Removal from the Consent Agenda

Rule 16. Resolutions of condolences and congratulations filed in accordance with Rule 37 shall be listed upon the consent agenda. Any member of the Council may object to the Clerk upon such a filing. The matter being objected to shall be removed from the consent agenda and placed on the agenda of the regular Council business. No such resolution shall bear the name of any Councilor not indicating consent to sponsorship.

All matters contained on the consent agenda shall be read as one and the question of adoption and passage of all said matters shall be by a single motion. The question shall be put as follows:

"The question now comes on approval of the various matters contained within the consent agenda."

Order of Business and Debate

Rule 17. At every regular meeting of the Council, the order of business shall be as follows:

1. Council Accolades (See Rule 37).
2. Approval of the previous meeting minutes.
3. Communications from the Mayor.

4. Petitions, memorials, and remonstrances.
5. Reports of public officers and others.
6. Reports of Committees.
7. Matters recently heard - for possible action.
8. Motions, orders, and resolutions.
9. Personnel orders.
10. Pending Council matters ("Green Sheets").

2. To lay on the table.
3. To move the previous question.
4. To close debate at a specified time.
5. To postpone to a day certain.
6. To commit.

8. To postpone indefinitely.

The motion to adjourn, the motion to lie on the table, the motion to take from the table, and the motion for the previous question shall be decided without debate.

Strike and Insert

Rule 19. A motion to strike and insert shall be treated as indivisible; however, the failure of a motion to strike shall not prevent the introduction of a motion to amend or a motion to strike and insert.

Any motion(s) to amend must be presented in writing and copies given to Central Staff to distribute to all members of the Council present. No motion to amend shall be debated prior to receipt of the amendment by all members.

Three copies shall be given to the Clerk.

Adjourn

Rule 20. A motion to adjourn shall be in order at any time except during or on an immediate repetition of or pending a verification of a vote.

Remanding Matters to the Mayor

Rule 21. Any measure submitted by the Mayor for action by the Council shall be rejected without prejudice, unless when it is filed with the Clerk, it bears the certificate of the Corporation Counsel that, if adopted or passed in the form submitted by the Mayor, it will be in accordance with the law.

The Council, at the discretion of the Council President, may remand a response from the mayor to a Section 17F request, if in the determination of the Council President the response does not comply with the request. A subsequent response shall be due within seven (7) days.

Withdrawal of Motions

Rule 22. After the Presiding Officer has put a motion on the floor, the Presiding Officer may withdraw it on the request of the Sponsor, providing no objection.

Committee Assignment and Action

Rule 23. When any measure submitted for consideration relates to a subject that may properly be examined and reported upon by a Council Committee, such filing, upon presentation, shall be referred to such Committee by the Council President in consultation with the Clerk. Any member offering a filing referred to a Committee may request that the Chair of the Committee set, within thirty (30) days, a mutually agreeable date for a hearing. No hearing may be scheduled or conducted without the consent and the presence of the Chair or their designee. In order, designees shall be Vice Chair, Lead Sponsor (if voting member of the Committee), voting member of the Committee, Lead Sponsor, and so forth.

As a part of the Council meeting agenda, Committee Chairs may issue formal reports on dockets referred to their Committee. When the meeting moves to the docket(s) that are the subject of the Committee Chair Report, the Clerk will read the docket(s) and the Presiding Officer will state:

“Absent objection, the report of the Committee Chair is accepted and the docket(s) is (are) properly before the body.”

If there is an objection, the Clerk will conduct a roll call vote of the Committee members to ascertain that a majority of the Committee members support the call of the Committee Chair to remove the docket from Committee for discussion and action by the full Council.

The Chair of a Committee may call a docket out of their Committee at any time and ask that a vote be taken on a matter (“calling from the Green Sheets”), provided that when such a call is made and before the discussion of the item, the Presiding Officer will state:

“Absent objection, the motion of the Committee Chair is accepted and the docket(s) is (are) properly before the body.”

If there is an objection, the Clerk will conduct a roll call vote of the Committee members to ascertain that a majority of the Committee members support the call of the Committee Chair to remove the docket from Committee for discussion and action by the full Council.

Matters Placed on File at Year End

Rule 25. The Clerk shall place on file any Council-sponsored matter remaining in Committee at the conclusion of the last meeting of the calendar year, including matters introduced and not voted upon at the last meeting of the calendar year. The Clerk will automatically re-file the document as a part of the regular agenda for the next Council meeting.

In the event a hearing is expected to last three or more hours, the Chair shall allow members of the public, in the order in which they sign up, to offer testimony at the beginning, middle, and end of the hearing. It shall be at the discretion of the Chair to determine the appropriate time and how many individuals shall testify at the beginning and during the hearing with the remaining individuals being allowed to testify at the end of the hearing.

No Committee, unless authorized by an order of the Council, shall incur any expense, including, but not limited to, advertising and stenographic costs. signature and filed within a reasonable timeframe of the conclusion of the meeting, policy briefing, working session, hearing, or public testimony session, but in no case later than the Committee's next meeting, policy briefing, working session, hearing, or public testimony session, on the relevant topic, except if a more suitable timeframe is determined by the Council President or Staff Director. Reports of the Committee Chair must contain the following information: docket number, title, date referred, Sponsor(s), date(s) of meeting, policy briefing, working session, hearing, or public testimony session (where applicable), a discussion of the provisions of the legislation, summary of information received at the meeting, policy briefing, working session, hearing, or public testimony session, and in the case of amended or substituted language, a discussion of the changes and the impacts on the original legislation, and the rationale for the recommended action.

The Committee Chair may issue an interim report to provide to the Council information received regarding the topic or the status of a docket. This interim Committee Report does not recommend a final disposition of the docket, and will not dispose of the docket. The interim report will be filed in the same manner as all other documents. It will be filed as part of the Reports of Committee portion of the agenda, and will be placed on file. The docket remains in the assigned Committee until final disposition.

Committee Meetings, Policy Briefings, Working Sessions, Hearings and Public Testimony Sessions
