ABOUT THE BOSTON ART COMMISSION

Working together with the Public Art Team in Mayor's Office of Arts & Culture, the Boston Art Commission (BAC) is an independent board composed of two ex-officio and seven appointed volunteer art and design professionals that holds public meetings to review, discuss, and vote on matters concerning the City's art collection. The BAC has exclusive authority to approve and commission artworks intended to be added to the City's collection or be placed on City property. The Curatorial Vision for the City of Boston is to foster the creation and collection of artworks that reflect the people, ideas, histories, and futures of Boston, the traditional homeland of the Massachusetts people and the home of the neighboring Wampanoag and Nipmuc peoples. We aim to commission and approve artworks that engage communities and directly respond to, enrich, and enliven the urban environment. We seek public art that is driven by an artistically strong vision, enhances the diversity and equity of the existing collection, and possess durability appropriate to the lifespan of the work. For more information, see Boston.gov/public-art.
