

SITE DESIGN IDEA #1

Strata

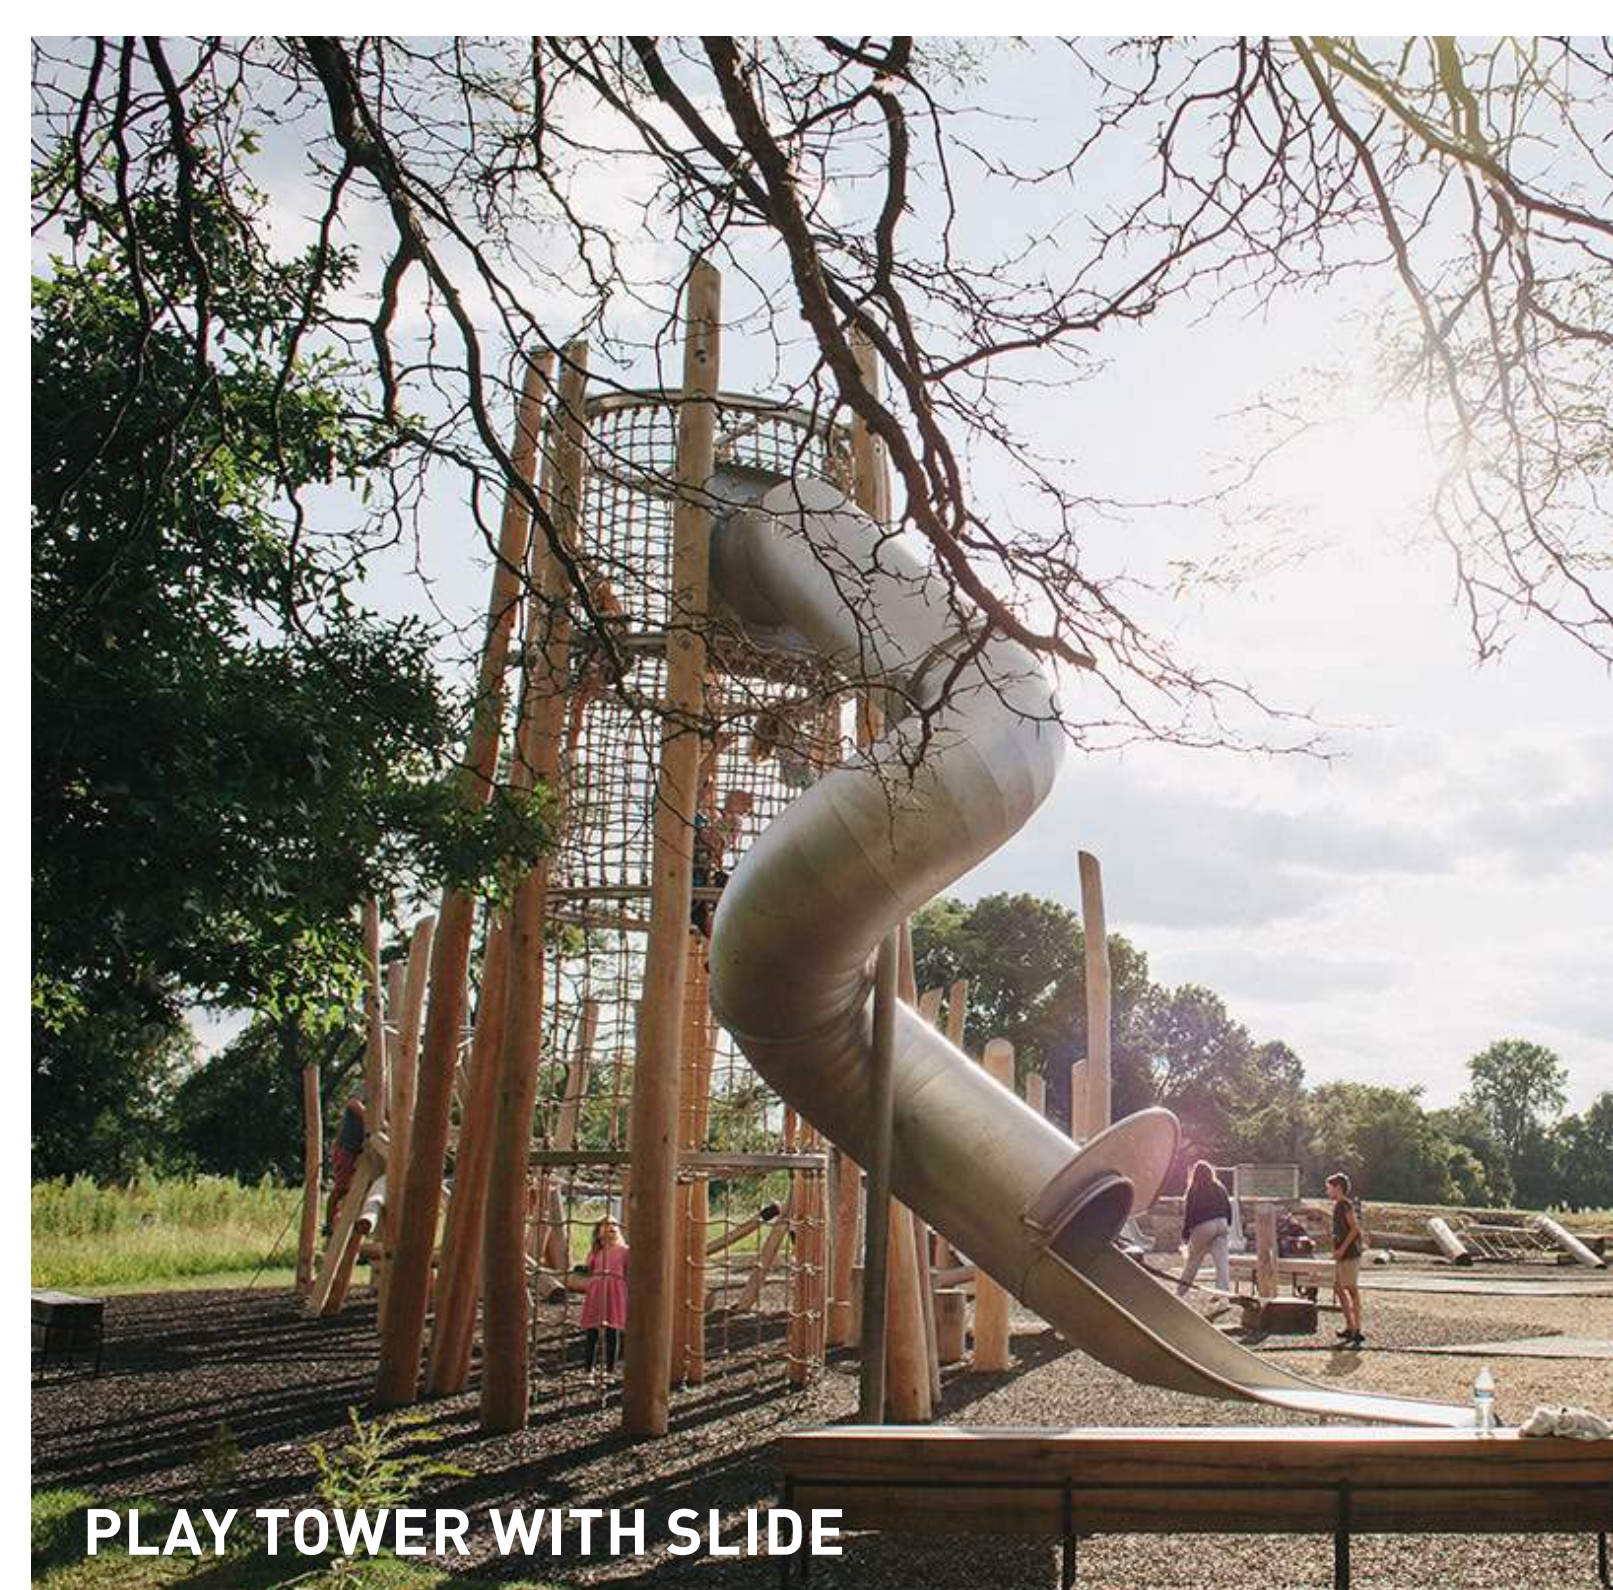

Layers of play: Three terraces of gathering and play that step down along an accessible path.

WOOD LOG CLIMBER

SITE DESIGN IDEA #2

Stack

Stacked boulders and earth: A hill emphasizes views toward Downtown Boston and provides seating that overlooks a splash pad and lawn.

SITE DESIGN IDEA #3

Stream

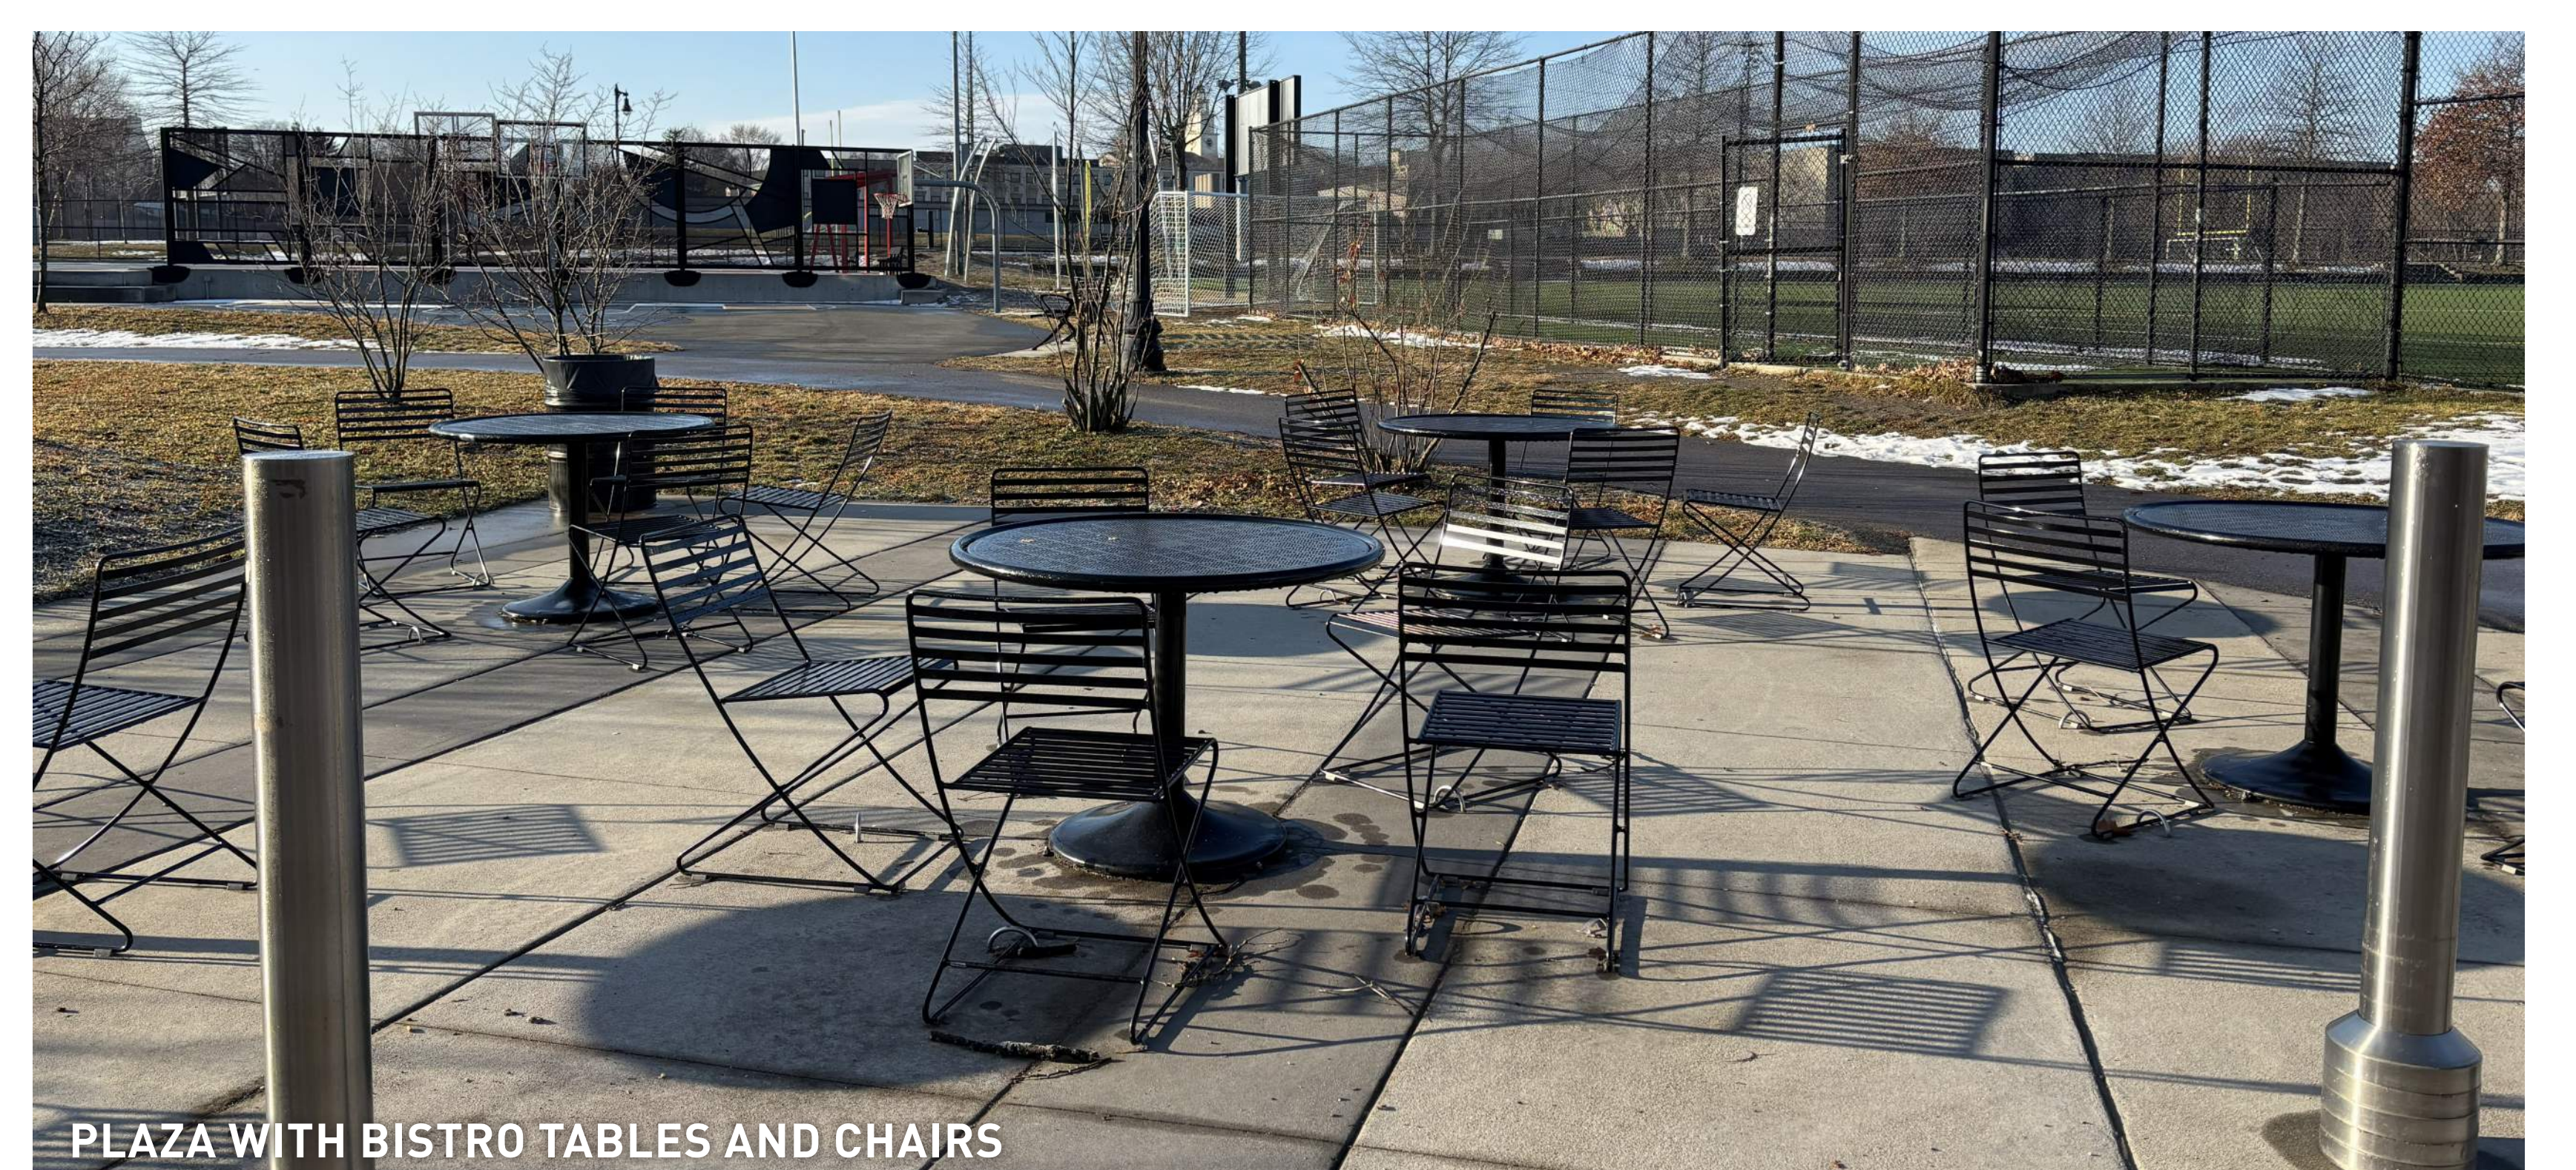

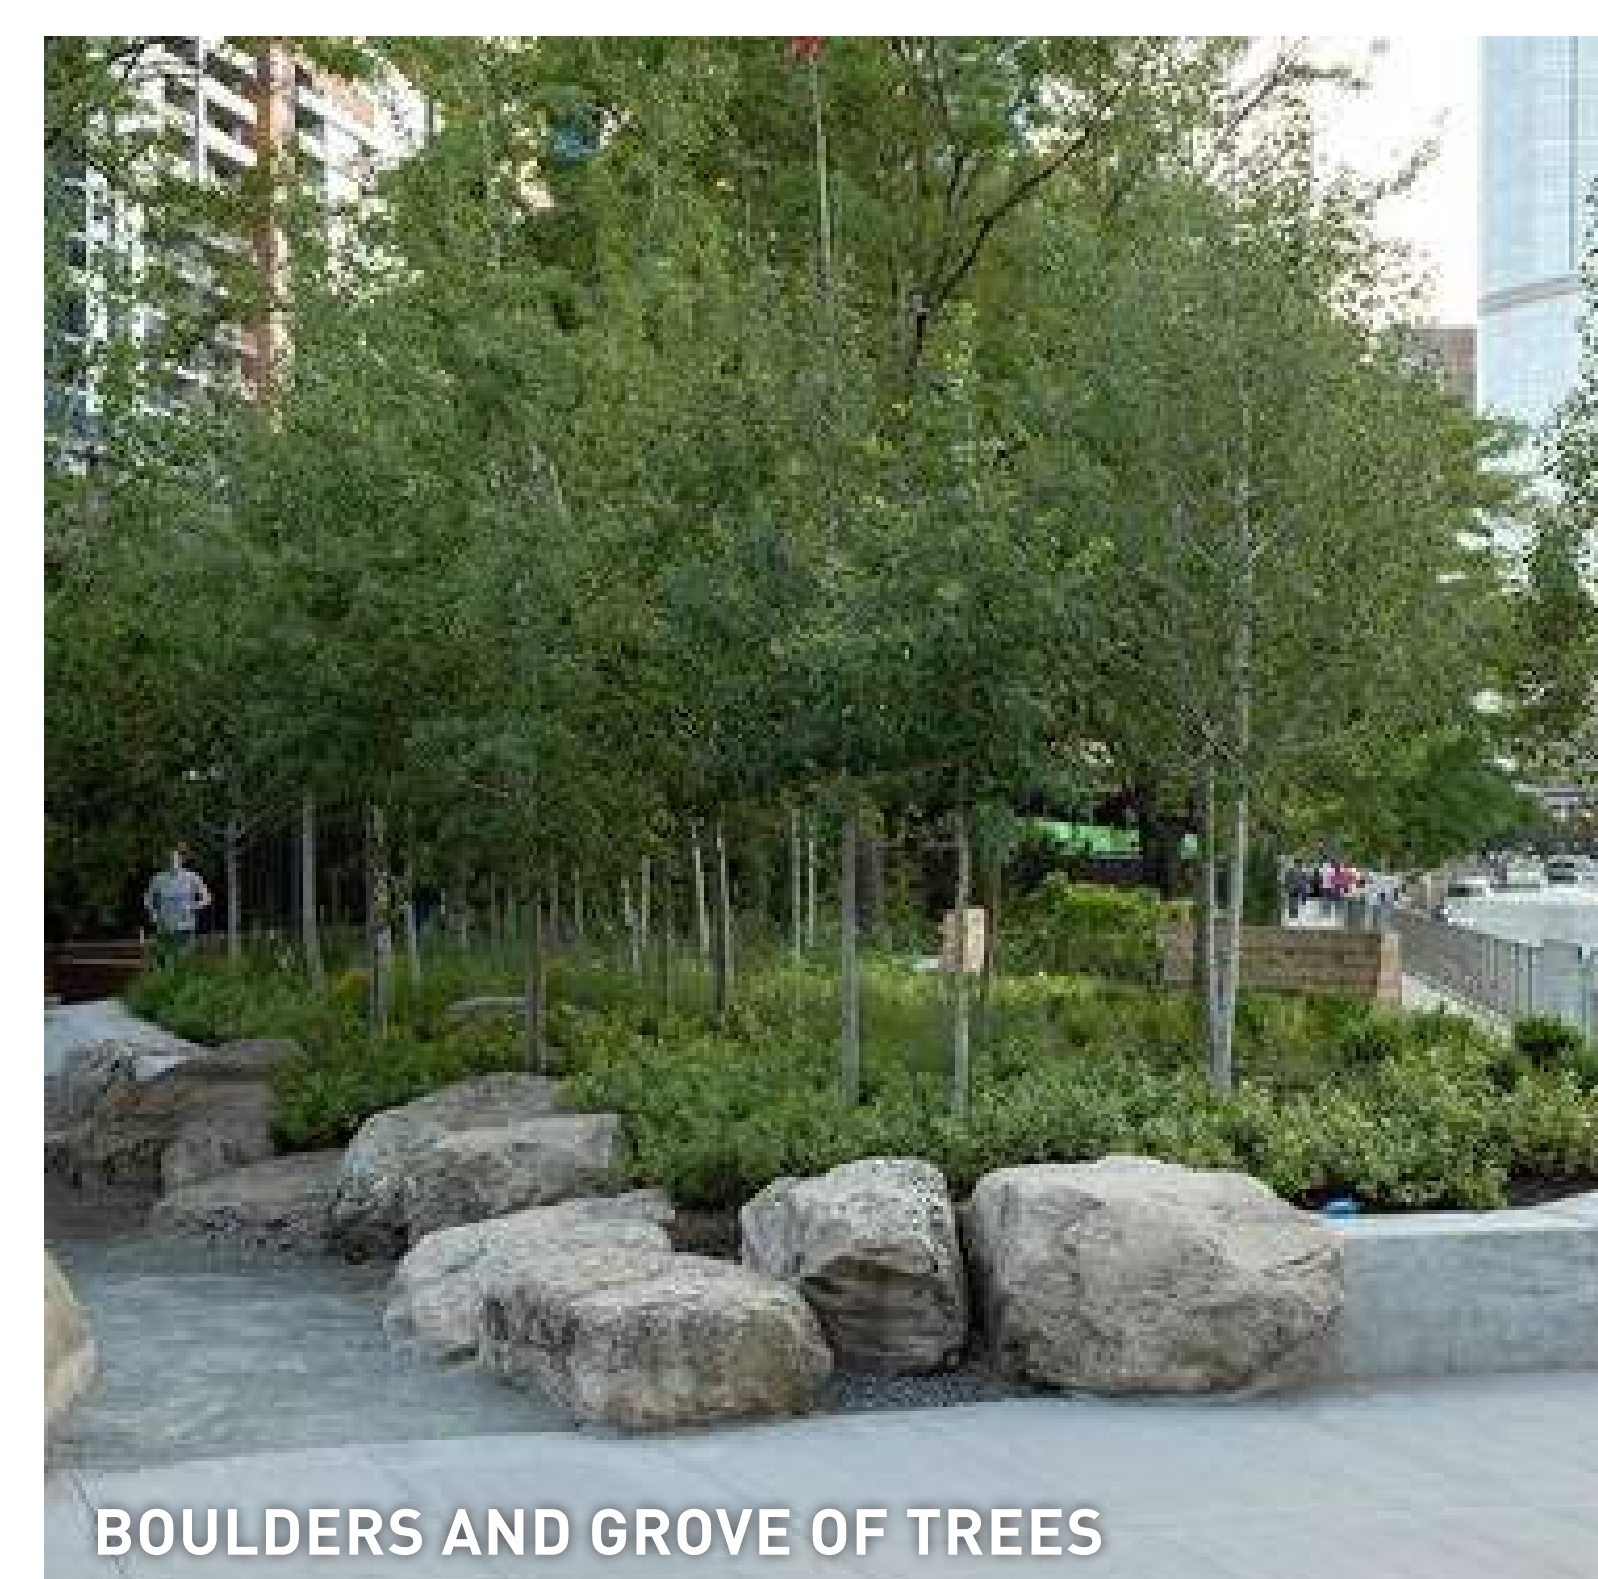

A meandering park: A flowing path widens, narrows, and loops to create spaces for gathering and play.
