

CLIFFORD PLAYGROUND CONSTRUCTION UPDATE JUNLY, 2026

Thank you for your continued interest in Clifford Park!

PLAYGROUND UPDATE: Occasional closings

In order to open the playground for the Mason School to use at the end of their school year, we had a few items that were postponed to completion. We are working on completing those now. We will be shutting down the playground occasionally in order to finalize these items. Please be patient with us as we work to keep the playground open as much as possible, but continue to finish construction items.

- The central plaza in the playground with tables needs to be paved
- We will need to close the playground when the asphalt pathways around the playground are paved. We are concerned about asphalt being tracked onto the new playground surfacing so we will keep the playground closed for a few days after the pathway is paved.

Paving at water play

New decorative entrance arch

CONSTRUCTION TIMELINE:

- The playground is open but will occasionally close, per information above.
- The field is open for summer sports center use and will fully open to the public when the remainder of the park is complete.
- The remainder of the park is scheduled to be completed late August/ early September.

OTHER ITEMS:

Please use 311 to document non-emergency issues relating to park use, and 911 for emergency situations relating to public safety.
