Natural Hazard Mitigation Plan (NHMP) Update

Final Public Meeting

We need your input:

How Can the City Help You Connect, Prepare, and Protect?

The NHMP is the City's plan to make our community more informed and better prepared for extreme weather, flooding, and other natural hazards, through planning, policies, infrastructure improvements, and more.

Join this **interactive meeting** to review the draft plan and give us your feedback!

Date: September 2, 2026

Time: 6:30pm-7:30pm

Where: Virtual, Zoom Meeting

RSVP to Receive Zoom Link:
