

NOTICE OF PUBLIC HEARING

The **SOUTH END LANDMARK DISTRICT COMMISSION** will hold a public hearing:

DATE: 10/6/2026

TIME: 5:30 PM

ZOOM: <https://www.zoomgov.com/j/1659193896>

RECEIVED

By City Clerk at 1:48 pm, Sep 25, 2026

Subject of the hearing will be applications for Certificates of Design Approval on the agenda below, reviews of architectural violations, and such businesses as may come before the commission, in accordance with Chapter 772 of the Acts of 1975, as amended. Applications are available for review during business hours at the Office of Historic Preservation. Applicants or their representatives are required to attend, unless indicated otherwise below. Sign language interpreters are available upon request.

ATTENTION: This hearing will only be held virtually and NOT in person. You can participate in this hearing by going to our [online meeting](#) or calling +1 646 828 7666 US and entering meeting id **#165 919 3896**. You can also submit written comments or questions to SouthEndLDC@boston.gov.

I. RATIFICATION OF 9/1/26 MEETING MINUTES

II. VIOLATIONS

APP # 27.0236 SE

419 SHAWMUT AVENUE

Applicant: Dasan Harrington

Proposed Work: Heat pump units installed along the San Juan Street elevation at alcoves. Approximately 8 feet high fencing to be installed at each alcove, design replicating existing fencing along San Juan Street (#VIO.27.1089).

III. DESIGN REVIEW HEARING

APP # 27.0245 SE

41 BERKELEY STREET

Applicant: Jonathan Lee

Proposed Work: The Project includes the reuse of the

Franklin Building, partial demolition of the 4 Appleton Street building, and construction of a new 10-story building to establish a mixed-use commercial and residential development. In total, the Project will result in 312 new residential apartment units across the approximately 267,000 square foot development. A similar development was previously proposed for the site, and subsequently received a conditional approval by the SELD Commission, in 2022-2023 (Application #23.0628 SE).

APP # 27.0240 SE

116 APPLETON STREET

Applicant: Amy Long Gunerman

Proposed Work: At Front Stoop, replace existing stoop door with new arch-top wood door; install new red brick walkway beside stoop with ramped surface. At Front Garden, install new egress well, including below-grade foundation walls, below-grade window, and flush metal grate in the front garden to provide secondary egress from Garden Level. At Rear 1st Floor, remove (1) existing door and adjacent metal staircase to garden; infill existing masonry opening with new double-hung wood window, arched brick header, stone lintel, and brick below. At Rear Garden Level, remove existing (2) windows and (1) door; cut new masonry opening and install new steel-and-glass door system with decorative arched brick header above. At Rear Street, remove existing rear fence and replace in kind with new 6'-0" tall cedar fence.

APP # 27.0243 SE

142 WEST CANTON STREET

Applicant: Zachary Millay

Proposed Work: Install mechanicals and deck at roof, replace existing front garden fence with new, install rail at lower level of the front facade (*see items on Administrative Review*).

APP # 27.0241 SE

403 SHAWMUT AVENUE

Applicant: Vanessa Calderon-Rosado

Proposed Work: Request for a Certificate of Exemption

under Section 8(ii) of Chapter 772 to proceed with the demolition of the existing building.

IV. ADMINISTRATIVE REVIEW/APPROVAL: In order to expedite the review process, the commission has delegated the approval of certain work items, such as those involving ordinary maintenance and repair, restoration or replacement, or which otherwise have a minimal impact on a building's appearance, to commission staff pending ratification at its monthly public hearing. **Having been identified as meeting these eligibility criteria and all applicable guidelines, the following applications will be approved at this hearing:**

► Applicants whose projects are listed under this heading **NEED NOT APPEAR** at the hearing. Following the hearing, you will be issued a Determination Sheet to present at the Inspectional Services Department (1010 Massachusetts Avenue) as proof of project approval when applying for permits. ISD personnel will send an electronic copy of your building-permit application to the commission staff for review. (To avoid potential confusion, the text of your building-permit application should be consistent with the project description given below.) Commission staff will accordingly authorize the execution of the work, attaching any applicable provisos, reflecting the relevant guidelines and precedents.

► **PLEASE NOTE THAT FOLLOWING ISSUANCE OF THE DETERMINATION SHEET NO FURTHER CORRESPONDENCE WILL BE ISSUED FOR THE APPLICATIONS LISTED.** The electronic building-permit application as annotated by commission staff will constitute your Certificate of Appropriateness; this will be valid for two years from the date of the approval letter. The applicant is required to notify the commission of any project changes; failure to do so may affect the status of the approval.

► If you have any questions not addressed by the above information, please contact staff at 617.635.1935 or SouthEndLDC@boston.gov. Thank you..

APP # 27.0206 SE	<u>34 BRADDOCK PARK:</u> Replace previously approved roof deck in identical footprint as existing with no structural changes.
APP # 27.0233 SE	<u>533 COLUMBUS AVENUE:</u> Replace seven non-original windows at front with 2/2 black aluminum clad windows.
