Boston Employment Commission Project Review

BRJP Highlights and Concerns:

- Payroll submission is at 10 days. Payroll should be submitted within 7 business days after work week. Payrolls submitted on time help monitor the project in a timely manner.
- Boston Resident Verifications is at 70%. Work has to be done to be over the 90% verification percentage.
- Low Boston Resident (24%) and Female Percentages (4%).
- Quarterly projections are current.
- Need best faith effort documentation from all subcontractors that are not compliant.

RECOMMENDATIONS: The BRJP Office recommends that –

- Verifications for all unverified Boston Residents must be submitted.
- Boston Residency (24%) and Female (4%) percentages need to improve for project to become a success.
- Continue to encourage subcontractors deficient in any category to take steps to make improvements by providing information about pre-apprenticeship programs, such as Building Pathways and Youth Build.
- Connections between subcontractors and GC deficient in payroll submission need to be addressed.
- Submit weekly best faith efforts documentation to BRJP with written correspondence from union halls or a note stating what the response was from union hall if letter is not provided.
